Voting rights journalist Ari Berman has been detailing threats to our democracy for years and his new book Minority Rule is a timely and essential read He expertly shows how Republicans are trying to rig our political system and shares how we can fight back Hillary Clinton on X A riveting account of the decades long effort by reactionary white conservatives to undermine democracy and entrench their power and the movement to stop them The mob that stormed the Capitol on January 6 2021 represented an extreme form of the central danger facing American democracy today a blatant disregard for the will of the majority But this crisis didn t begin or end with Donald Trump s attempt to overturn the 2020 election Through voter

suppression election subversion gerrymandering dark money the takeover of the courts and the whitewashing of history
 reactionary white conservatives have strategically entrenched power in the face of a massive demographic and political shift
 Ari Berman charts these efforts with sweeping historical research and incisive on the ground reporting chronicling how a
 wide range of antidemocratic tactics interact with profound structural inequalities in institutions like the Electoral College
 the Senate and the Supreme Court to threaten the survival of representative government in America The will of the people
 wrote Thomas Jefferson in 1801 is the only legitimate foundation of any government But that foundation is crumbling Some
 counter majoritarian measures were deliberately built into the Constitution which was designed in part to benefit a small
 propertied upper class but they have metastasized to a degree that the Founding Fathers could never have anticipated
 undermining the very notion of a government of the people by the people and for the people Chilling and revelatory Minority
 Rule exposes the long history of the conflict between white supremacy and multiracial democracy that has reached a fever
 pitch today while also telling the inspiring story of resistance to these regressive efforts *Freedom from Obsessive
