How the Right Lost Its Mind Charles J. Sykes, 2017-10-03 A book on the implosion of the Republican party and the conservative movement by a bestselling author and radio host who drew national attention after denouncing Donald Trump

The Most Dangerous Man in America John K. Wilson, 2011-03 John K Wilson the author of *President Trump Unveiled* tackles the ideologies of America s most notorious conservative radio talk show icon in *The Most Dangerous Man in America* Rush Limbaugh s Assault on Reason Rush Limbaugh is the most prominent figure in the conservative movement with millions of listeners every week on more than six hundred stations a larger media platform than almost any other individual in the nation And this is why he is so dangerous Despite refusing to uphold even the most basic standards of journalism Rush has been given an extensive wide reaching platform with which to spew his venom And spew it he does In this book author John K Wilson uses the most damning evidence of all Rush s own words to deliver the ultimate indictment of Limbaugh s bankrupt ideology and how it embodies the decline of the conservative movement Wilson catalogs the world according to Rush from the political conspiracies to his disdain for scientific evidence and apparent love of racist sexist and homophobic stereotypes and shows how the radio personality poisons any rational political rhetoric with an endless stream of slurs lies and intimidation Most revealingly the author demonstrates how Limbaugh s blustering baseless proclamations and love for savage personal attacks have had a chilling effect on both parties as he viciously targets not only liberals but also any Republican who dares question one of his conclusions Meanwhile Rush s viselike grip on the political arena has created a media monster so powerful that even liberal commentators are forced to engage with him and his polarizing discourse *The Most Dangerous Man in America* reveals Rush Limbaugh to be just that No matter what you thought about the man before you will never feel the same way about him again

Spiritually Correct Favorites Chris Fabry, 1999-09 **Internet Babylon** Greg Holden, 2013-11-09 This book looks at the Internet from a sordid and entertaining perspective The line between truth and fiction is blurred on the net just as it is in Hollywood and so are the scandals involving well known movie and TV personalities politicians and the Internet s own brand of celebrities The battle between illusion and reality is every bit as intense on the Internet as on the celluloid screen Going beyond sites that glorify the seamier side to life *Internet Babylon* is a guide to the unique sites that appeal to selective sensibilities *Internet Babylon* gives you the ability to live vicariously through and be a participant in extraordinary even strange goings on that you might never otherwise encounter in your day to day life You ll not only find entertaining and titillating stories that define the rough and wild side of a major force in society that s still developing but you ll also discover the tools you need to be on top of breaking stories and find the news that s not fit to print
