*Null Witch* Maria Schneider, 2023-05-16 There s a lot of magic in the world but a single touch from me and any enchantment is ashes to ashes dust to dust People want me dead but the homeless are hard to pin down At least that was true until I made a foolish mistake and rescued a caged mountain lion shifter My null is no threat to him but those who wanted him captured are after me now Carlos didn t realize the danger when he hired me to buffer him from magic that could put him back in a cage I didn t realize the danger of being part of a partnership Sure it s better than being hungry on the streets but it s more dangerous for both of us Carlos is strong and fast I m quick and sneaky But will Carlos trust me enough to keep me hidden when he finds out what I am And can I stay free long enough to protect him Null Witch takes place in the Moon Shadow world but all the sidekick novels stand alone Witch Way is a prequel that features Spring Null Witch is the first sidekick novel and Ghost Shadow is the second featuring Lynx *Pure-bred Dogs, American Kennel Gazette*
