disciplines and phasing out writing assessment that depends on one test measuring the writing abilities of students from all disciplines In the process of making his case Waldo discusses tutor training faculty consultancy and multilayered assessment programs In addition to presenting the theoretical and practical advantages of discipline based WAC programs he also offers clear and compelling evidence from his own institution that supports the success of this approach to writing instruction Demythologizing Language Difference in the Academy Establishing Discipline Based Writing Programs will be of interest to writing program and WAC administrators writing center administrators graduate students studying composition and educators and graduate students involved in WAC initiatives research and study **Cassell's Weekly** ,1923
