

Sample Essay on Social Work

Social work career involves working with diverse population. Cultural pluralism culture concept is one that emphasizes on the respect for diversity of heritages, lifestyles, values and customs. This paper will focus on my experiences and exposure to individuals from different populations. It is going to enumerate my personal qualities in expressing myself to be sensitive to people with values that are different from mine. Further, the paper will also showcase the manner in which life experiences influence my values, beliefs and feelings with variables such as; Ethnicity (culture, race), spiritual tradition that is different from those of mine like economic status, age, social status and sexual orientation. Lastly, the paper will also describe the ethical dilemma I have experience in the process of decision making and factor that have contributed to the ultimate outcome.

Ghana is a nation that has diverse ethnic groups and communities. Its population of over 24 million people and 70 diverse ethnic groups. As a Ghanaian, the nature of the country which is multicultural has broadened my scope n different people as well as their perceptions, which are different from mine. For example, while working with World Visions Ghana and the Ghana Broadcasting Corporation, I was able to develop ability to use and acquire values, skills and knowledge in ways that make diversity such a competent practice. I more so developed a system of feeling, acting and thinking that opens the door so I can actively seek knowledge, develop values consistent in addressing issues of sensitive nature and integrate new ideas that at times, are uncomfortable. I have also learned to be a true professional by giving up my comfort place, risking to reach out and learn things I do not know.

What is more, I have acquired ability to solve and work out people's problems. Solving the problems of people involves learning how to acquire knowledge in a couple of ways. What is more, it also entails
