The Community College Library Janet Pinkley, Kaela Casey, 2022-04-13 Community colleges are a cornerstone of higher education and serve the unique needs of the communities in which they reside. In 2019, community colleges accounted for 41 percent of all undergraduate students in the United States. Community college librarians are engaged in meaningful work designing and delivering library programs and services that meet the needs of their diverse populations and support student learning. The Community College Library series is meant to lift the voices of community college librarians and highlight their creativity, tenacity, and commitment to students. The Community College Library Reference and Instruction collects research programs and new approaches to reference and instruction implemented by community college librarians around the U.S. Chapters include sample activities and materials and cover topics including using race-centered and trauma-informed practices in the reference interview, incorporating online workshops into an existing information literacy program, and using student-driven pedagogy to navigate the early stages of research. This book demonstrates the innovative and replicable ways community college librarians are meeting the information and research needs of their college population both in person and remotely, all while providing a safe, inclusive space for students to explore and learn. **The Last Letter** Karen Baum Gordon, 2021-11-23 Part of the Legacies of War series. *The Last Letter* is a family memoir that spans events from the 1930s and Hitler's rise to power through World War II and the Holocaust to the present-day United States. Karen Baum Gordon's gripping narrative opens on her father Rudy Baum's attempted suicide in 2002 at the age of eight-six and unfolds in an investigation of generational trauma within her extensive German Jewish family. Gordon grounds her research in eighty-eight letters written mostly by Julie Baum, Rudy's mother, and Gordon's grandmother to Rudy between November 1936 and October 1941. Gordon examines pieces of these worn, handwritten letters and other archival documents in order to recreate the fatal journeys of her grandparents in the camps and ghettos of the Third Reich and trace her father's efforts to save them an ocean away in America. Doing so, Gordon discovers the forgotten fragments of her family's history and a vivid sense of her own Jewish identity. **The Asiatic Journal and Monthly Register for British India and Its Dependencies**, 1827

The Asiatic Journal and Monthly Register for British and Foreign India, China, and Australia, 1827 *The Letters of Charlotte Brontë: 1848-1851* Charlotte Brontë, 1995 In this volume, we share Charlotte Brontë's experience for four crucial years. The success of *Jane Eyre* and the strange power of *Wuthering Heights* made the brothers Bell the universal theme of conversation, but privately the family endured the deaths of Branwell Brontë in September and Emily in December 1848, followed by Anne's in May 1849. Haunted by the fear that she also would succumb, Charlotte found salvation in writing *Shirley*, published in October 1849, and comfort in her friendship and correspondence with Ellen Nussey, with her publishers, especially George Smith, with Mrs. Gaskell, and for a time Harriet Martineau. She may also have received a proposal of marriage from Smith's manager James Taylor. **The Friends' Library**, 1848 *The Friends' Library* William
