Foundations for Fruitful Church Planting Ken L. Davis, 2023-07-28 Church planting is one of the most challenging yet rewarding adventures you can embark on. Often zealous planters and their teams launch their new church prematurely without taking time to lay a firm foundation for long term fruitful ministry. Failure to do so often results in a weakened new church or even the new church closing after a few years. Rather than focusing on methodology, the how to's of church planting, this book gives attention to six foundational concerns wise planters will need to nail down before they ever plant. Biblical foundations, Theological foundations, Ecclesiological foundations, Missiological foundations, Spiritual foundations, Practical foundations. Although helpful for a wide range of planting leaders, this book is particularly written for four specific groups: those who feel called to plant and are making preparations; their planting teammates and launch leaders; those exploring church planting; and those who coach and train church planters. **Foundations for Fruitful Church Planting** serves as a comprehensive resource that will guide you to think strategically, plan carefully, and prepare thoroughly to birth a healthy, growing, and reproducing congregation. Each chapter includes recommended resources, discussion questions, and follow through exercises.

No Shortcut to Success Matt Rhodes, 2021-12-28 Avoid Get Rich Quick Missions Strategies and Invest in Effective Long Term Ministry. Trendy new missions strategies are a dime a dozen, promising missionaries monumental results in record time. These strategies report explosive movements of people turning to Christ, but their claims are often dubious and they do little to ensure the health of believers or churches that remain. How can churches and missionaries address the urgent need to reach unreached people without falling for quick fixes? In **No Shortcut to Success**, author and missionary Matt Rhodes implores Christians to stop chasing silver bullet strategies and short term missions, and instead embrace theologically robust and historically demonstrated methods of evangelism and discipleship, the same ones used by historic figures such as William Carey and Adoniram Judson. These great missionaries didn't rush evangelism; they spent time

studying Scripture mastering foreign languages and building long term relationships Rhodes explains that modern missionaries emphasis on minimal training and quick conversions can result in slipshod evangelism that harms the communities they intend to help He also warns against underestimating the value of individual skill and effort under the guise of getting out of the Lord s way and empowers Christians with practical biblical steps to proactively engage unreached groups Biblical Ministry Advice Examines the work of respected missionaries throughout history Encourages Professionalism in Missions Rhodes teaches missionaries to invest in theological education communication and technical skills A Great Resource for Ministries Includes specific advice for singles parents and other groups Insightful Examines strengths and weaknesses of recent missionary movements
