

Plato's "The Allegory of the Cave"

"The unexamined life is not worth living." (Socrates)

In his story, Plato describes prisoners who have been chained in a cave since birth. They only see shadows of the real world. Plato focuses on a man who might escape the cave. He will go through 5 phases of knowledge (or learning) in the story. The first phase is in the cave.

DIRECTIONS: After you have read the story, mark the story into parts by the line numbers provided. Then, describe the phase the man goes through in each part.

1. Line numbers 1-29

The man is chained in the cave, but he is comfortable with knowing only shadows, which is what he believes is the truth.

2. Line numbers 46 - 62

3. Line numbers 30 - 45

4. Line numbers 53 - 76

5. Line numbers 77 - 84

6. When the man tries to share his knowledge with those in the cave, what happens? (lines 80 - 89)
