Salim Khan Anmol, 2021-07-29 1000 Most Common English Phrases Best English Grammar Book Learn English Grammar in Two Week Revised Edition Adjective of English Grammar 2 Minute Grammar class This book was begun as a result of the author s experience in teaching some classes in English in the night preparatory department of the Carnegie Technical Schools of Pittsburgh The pupils in those classes were all adults and needed only such a course as would enable them to express themselves in clear and correct English English Grammar with them was not to be preliminary to the grammar of another language and composition was not to be studied beyond the everyday needs of the practical man Great difficulty was experienced because of the inability to secure a text that was suited to the needs of the class A book was needed that would

be simple direct and dignified that would cover grammar and the essential principles of sentence structure choice of words and general composition that would deal particularly with the sources of frequent error and would omit the non essential points and finally that would contain an abundance of exercises and practical work It is with these ends in view that this book has been prepared The parts devoted to grammar have followed a plan varying widely from that of most grammars and an effort has been made to secure a more sensible and effective treatment The parts devoted to composition contain brief expositions of only the essential principles of ordinary composition Especial stress has been laid upon letter writing since this is believed to be one of the most practical fields for actual composition work Because such a style seemed best suited to the general scheme and purpose of the book the method of treatment has at times been intentionally rather formal Sakha Global Books Inc *Introduction to AAC* Lesley E. The Sunset of My Life Joseph Lange, 2020-08-27 A man goes through the four seasons of his life much too quickly The hustle and frantic pace of life blinds him to the wonders that God puts before him daily the butterfly that alights upon a small flower completely missed the sunrises and sunsets without fanfare as he toils to his eventual end If he is lucky he realizes the folly of his ways and slows to see the beauty before him appreciate the little things the quiet things the ripple on the pond stopping to breathe and reflect and perhaps to listen to the soft sounds of God's great work I have entered the sunset of my life My time on earth ordained by God wanes like the setting of the sun and as the brilliant colors light the sky so does my love for what God has given me through my many years To see the singular snowflake hear the cry of the chickadee I invite you to come with me as my stories tell of my journey to this moment in time Sit back in a quiet spot open this book feel its pages and see what I have seen May God bless and keep you and perhaps slow you down
