Reasons Why Sarah Palin Should Be President English Edition:

Discourse, Politics and Women as Global Leaders John Wilson, Diana Boxer, 2015-10-15 Discourse Politics and Women as Global Leaders focuses on the discourse practices of women in global political leadership. It provides a series of discursive studies of women in positions of political leadership. Political leadership is defined as achieving a senior position within a political organization and will often indicate a senior role in government or opposition. The volume draws on a diverse collection of studies from across the globe reflecting a variety of cultures and distinct polities. The primary aim is to consider in what way s discursive practice underpins reflects or is appropriated in terms of women s political success and achievements within politics. The chapters employ differing theoretical approaches all bound by the discursive insights they provide and in terms of their contribution to understanding the role of language and discourse in the construction of gendered identities within political contexts. *Framing Sarah Palin* Linda Beail, Rhonda Kinney Longworth, 2013 Sarah Palin s 2008 vice presidential candidacy garnered tremendous levels of interest polarizing the American public both Democrats and Republicans alike. While many have wondered who she really is trying to cut through the persona she projects and the one projected by the media, Beail and Longworth analyze why she touches such a nerve with the American electorate. Why does she ignite such passionate loyalty and such loathing? How did her candidacy mobilize new parts of the electorate? Using the notion of framing as a way of understanding political perception, the authors analyze the narratives told by and about Sarah Palin in the 2008 election from beauty queen maverick faithful fundamentalist and post feminist role model to pit bull hockey mom frontier woman and political outsider. They discuss where those frames are rooted historically in popular and political culture, why they were selected, and the ways that the frames resonated with the electorate. *Framing Sarah Palin* addresses the question of what the choice and perception of these frames tells us about the state of American politics and about the status of American women in politics in particular. What do the debates engendered by these images of Palin say about the current roles and power available to women in American society? What are the implications of her experience for future candidates, particularly women candidates in American politics? [LOL at the GOP - Volume 7: Obstruction of Conscience](#) Craig Rozniecki, 2018-02-07 The always witty satirist Craig Rozniecki is at it again with his seventh installment of the LOL at the GOP series. In it, he writes about Rick Perry s forgetful wisdom, Sarah Palin s literal family feud, Se or Jeb Bush, why it s inconceivable for many conservatives to label themselves as Constitutional, how Donald Trump would write Hallmark cards, a state senator who thinks butts and vaginas are the same thing, and so much more. So sit back, relax, and let laughter guide you in LOL at the GOP Volume 7: Obstruction of Conscience. *The Palin Effect* Shana Pearlman, 2012-02-16 A US presidential election is quite simply the greatest show on Earth. In the battle to occupy the most important seat in the world in which power can be bought and sold, forces on either side hoodwink the public and claim their political victims. Witness the age of the Palin Effect. An extraordinary exposé of the political depravities and media proliferated inequalities of the entire

electoral process The Palin Effect sheds light on an ugly phase of American politics hell bent on slander and spurious belittling Revealing an increasingly greedy war based on class sex and money former Fox News and BBC journalist Shana Pearlman looks at what motivates the protagonists in the electoral circus the media the people the money the candidates themselves and wonders how free this star spangled land really is

Stanley M. Harmon, 2014-04 The Civil War resulted from the insistence of Southern firebrands that the 1820 restrictions on where slavery could be practiced in the Western territories of the USA be removed and the dogged determination of some Northerners to restrict the brutal treatment of blacks and finally put slavery on the road to extinction In the 1850 s big shoes dropped one after another in staccato fashion to dash such hopes the final straws were the Dred Scott Decision in 1857 saying blacks weren t even people and Congress had no power to restrict slavery anywhere and Civil War was going on in bleeding Kansas between adherents of the two stances John Brown was radicalized there by the sacking of Abolitionist stronghold Lawrence He and his sons killed some Jayhawkers slavery adherents from Missouri Then Brown his sons and a few others lit a fuse in Oct 1859 by a hare brained scheme to seize the Federal arsenal at Harpers Ferry to arm slaves and precipitate action to free them So when Lincoln was elected in 1860 the South bolted As they had threatened for 15 years America was almost destroyed Until July 4 1863 when two Union victories insured that these honored dead 800 000 shall not have died in vain Abraham Lincoln Gettysburg Pa Nov 1863

Common Nonsense Kabembo Chinku, 2012-09-28 Its almost a universal phenomenon Nobody knows when how and why it started but society somehow allows their political leaders to get away with nearly anything up to and including murder at least in many countries in Asia Eastern Europe Africa and Central and South America Here in these United States of America no one is suggesting at least not me that our political leaders are guilty of committing murders To the extent that anybody can accuse them of such its their enacting of lax gun laws at the behest of the NRA Thanks to these laws anyone applying for a permit to buy an automatic assault weapon is no more subjected to rigorous background check than they are buying candy By this and this alone U S politicians are partly to blame in the deaths of innocent people Anyway this book is not about murders or guns In a way though its about death the death of reason and sense in politics Its about some insidious behavior that politicians get away with Society itself is to blame for tacitly permitting politicians to engage in such a behavior So here in the United States as is the case everywhere politicians get away with too much Corruption lying or showing a disdain for facts being lazy stealing and cheating on their spouses We also allow them to make promises that they cant possibly keep or never keeping promises that they can easily keep We have put the bar for tolerable behaviors or conduct expected of our leaders very low We have reached a stage where the moral code of our politicians is on par with if not worse than that of criminals Well this author decided to draw a line a red line if you want to be dramatic on dumbassness or rather on the dumb things that the people we look up to in society especially our political leaders say They can get away with lying being corrupt etc but they will not be let off so easily for saying things that are decidedly dumb Just as Iran will hear from Israel and the U S if its nuclear or as George W Bush would say nuclear ambitions crosses Israeli Prime Minister Benjamin Netanyahus somewhat arbitrary red line politicians here will hear from me if and when they cross my own arbitrarily laid dumbassness red line Like most citizens Ill tolerate barely such maladapted behaviors of our politicians as corruption cheating infidelity lying not keeping campaign promises etc but not dumbassness

This is what this book is about This authors blood boils when he hears these stupid politicians like Indianas U S Senate candidate Richard Mourdock say such things as A woman being raped and conceiving as a result is in Gods grand scheme of things That is God wanted it that way and therefore that the victim shouldnt be allowed to terminate such a pregnancy Unlike most books this is not one long continuous story One need not necessarily start reading from page one or chapter one successively to the last One can jump around or even begin with the last chapter Every chapter is a stand alone chapter There is no continuity to worry about if you decide to read the book in a sort of haphazard manner Youre going to encounter unbelievable dumbassness of our politicians on every page Politicians and other leaders of society may get away with having the morals and ethics of alley cats but Ill be damned if Ill let them get away with the immaturity of pre adolescents and the dumbassness of a jackass This is my *raison detre* or if you want to be religious about it its my calling Let me add that had my sense of self preservation not been so heightened Id have moved to Russia to take on Emperor Vladimir Putin But I dont like having Polonium 210 as part of my diet Thank you and enjoy Kabembo Chinku [Sarah Palin](#) Michael V. ["Unmitigated Disaster"](#) Louis D. Cruz,2012-10 A story of America is moving forward And NOW that word forward happens to be the slogan of the very man that Republican Willard Mitt Romney is trying to unseat America the Party of NO has a man who will insist to see your ID Birth Certificate but won t release his Tax Returns at the least 5 6 of them so the voting electorate will know how to trust him There are many perfectly legal ways for all weasels to get out of paying taxes Especially if you can afford armies of creative accountants to find them all In our own Country s Congressional Leaders there is Nothing but shameless lies and dishonor That explains what s going on here If election in November is to be decided on the several issues Robme the Romney and Ryan the Lying along with the remaining hostile Republicans should stay away from foreign policy this next four years Even drifting into that realm risks reminding voters of Obama s clear advantage in leadership America Bush has been out of office for almost 4 years are YOU really going to continue to blame him This is what the Republicans are saying Honestly if that s were the blame lies absolutely It wouldn t matter even if it s been 100 200 or 300 years since George W the Idiot Bush has been out of office there will STILL remain too many unanswered questions

The Fictional Female Presidency in Film, Television, and Literature Kathleen W. Taylor Kollman, 2025-11-13 This book examines the ways in which popular culture has entertained the notion of a female U S presidency through portrayals in film television and literature dating back to the 1930s To date no woman has served as Commander in Chief in the White House This lack of precedent however has not deterred the continued exploration of this idea in U S popular culture for decades In this book Kathleen W Taylor Kollman analyzes fictionalized portrayals of female U S Presidents across a variety of media spanning both genre and time period to demonstrate how the perceptions of audiences and content creators have shifted when considering the idea of a woman's ability to run the United States She then contextualizes each example by positioning it alongside real life women in politics to examine the accuracy of existing portrayals when compared to the media framing of aspiring political candidates By analyzing works diverse in genre including science fiction dystopias slapstick comedias political dramas satire and romance novels Kollman also explores the ways in which genre can also play a critical factor in the framing of these women with regard to both subject matter and approach Scholars interested in parasocial relationships the history of feminist movements the intersection of political and media audiences and popular media trends will find this book particularly compelling
