Russian Roulette Ralph Griffith, 2025-10-10 Russian Roulette A Dmitri Petrov Crime Novel The call to Chief Inspector Dmitri Petrov comes as he is about to retire for the night The Director of Major Crimes his voice frantic with the news that four men were executed at one of Saint Petersburg s most upscale restaurants by a group of Chechens wielding AK 47s But the victims were not well to do business leaders they were high ranking vory powerful leaders of the biggest organized crime groups in the Russian Federation The Director of Major Crimes terrified of a brutal gang war erupting in the streets of Saint Petersburg has a clear and urgent demand he wants Dmitri to handle the matter personally With the entire criminal underworld on edge Dmitri must navigate a criminal hierarchy on the brink of all out war He finds himself in a high stakes game where the odds are stacked against him This is no ordinary investigation This is Russian Roulette A chilling high stakes thriller where a single wrong move can ignite a city wide gang war Petrov faces his most dangerous case yet in a riveting tale of power betrayal and underworld politics A deadly game of strategy and chance that perfectly lives up to its title Pulse pounding and authentic plunging the reader into the heart of Russian organized crime

Russian Roulette Giles Milton, 2015-03-10 Recounts the extraordinary and thrilling story of the British spies in revolutionary Russia led by Mansfield Cumming who would one day pioneer the field of covert action and become MI6 and their mission to foil Lenin s plot for global revolution 40 000 first printing

Russian Roulette Michael Isikoff, David Corn, 2018-03-13 The incredible harrowing account of how American democracy was hacked by Moscow as part of a covert operation to influence the U S election and help Donald Trump gain the presidency Russian Roulette is the most thorough and riveting account The New York Times Russian Roulette is a story of political skullduggery unprecedented in American history It weaves together tales of international intrigue cyber espionage and superpower rivalry After U S Russia relations soured as Vladimir Putin moved to reassert Russian strength on the global stage Moscow trained its best hackers and trolls on U S political targets and exploited WikiLeaks to disseminate information that could affect the 2016 election The Russians were wildly successful and the great break in of 2016 was no third rate burglary It was far more sophisticated and sinister a brazen act of political espionage designed to interfere with American democracy At the end of the day Trump the candidate who pursued business deals in Russia won And millions of Americans were left wondering what the hell happened This story of high tech spying and multiple political feuds is told against the backdrop of Trump s strange relationship with Putin and the curious ties between members of his inner circle including Paul Manafort and Michael Flynn and Russia Russian Roulette chronicles and explores this bizarre scandal explains the stakes and answers one of the biggest questions in American politics How and why did a foreign government infiltrate the country s political process and gain influence in Washington

Russian Roulette Anthony Horowitz, 2014-11-18 Alex Rider is now an IMDb TV Amazon Original Series Alex Rider is an orphan turned teen superspy who s saving the world one mission at a time from 1 New York Times bestselling author Alex Rider s life changed

forever with the silent pull of a trigger Every story has a beginning For teen secret agent Alex Rider that beginning occurred prior to his first case for MI6 known by the code name Stormbreaker By the time Stormbreaker forever changed Alex's life his uncle had been murdered by the assassin Yassen Gregorovich leaving Alex orphaned and craving revenge Yet when Yassen had a clear shot to take out Alex after he foiled the Stormbreaker plot he let Alex live Why This is Yassen's story A journey down the darker path of espionage Like a James Bond for young readers international 1 bestseller Anthony Horowitz delivers a blockbuster thrill ride From the author of Magpie Murders and Moriarty *What Isn't Remembered* Kristina Gorcheva-Newberry, 2021-09 Longlisted for the PEN Robert W Bingham Prize for Debut Short Story Collection Winner of the Raz Shumaker Prairie Schooner Book Prize in Fiction the stories in *What Isn't Remembered* explore the burden the power and the nature of love between people who often feel misplaced and estranged from their deepest selves and the world where they cannot find a home The characters yearn not only to redefine themselves and rebuild their relationships but also to recover lost loves a parent a child a friend a spouse a partner A young man longs for his mother's love while grieving the loss of his older brother A mother's affair sabotages her relationship with her daughter causing a lifelong feud between the two A divorced man struggles to come to terms with his failed marriage and his family's genocidal past while trying to persuade his father to start cancer treatments A high school girl feels responsible for the death of her best friend and the guilt continues to haunt her decades later Evocative and lyrical the tales in *What Isn't Remembered* uncover complex events and emotions as well as the unpredictable ways in which people adapt to what happens in their lives finding solace from the most surprising and unexpected sources *Chernobyl Roulette* Serhii Plokhy, 2024-09-03 A harrowing account of Russia's occupation of the Chernobyl and Zaporizhia nuclear power plants and the dangers of nuclear power colliding with warfare On February 24 2022 the first day of Russia's all out attack on Ukraine armored vehicles approached the Chernobyl nuclear power plant in northern Ukraine Russian occupation of the plant which would last thirty five days had begun Only the dedication and resolve of Ukrainian personnel who were held hostage and worked shifts for weeks instead of days spared the world a new Chernobyl accident They had to make life or death decisions on cooperation or resistance balancing loyalty to their families their homeland and innocent civilians in Ukraine and beyond who would suffer the consequences of a nuclear accident should it occur The choices they made helped to save the world from another Chernobyl disaster Meanwhile a much more dangerous situation developed at the Zaporizhia nuclear power plant in southern Ukraine the largest such facility in Europe Following an attack there in March 2022 the Russian military remains in control and Ukrainian intelligence warns of the potential for nuclear terrorism We must face up to a new reality there has already been warfare at two nuclear sites and others are vulnerable In a book that reads like a thriller Serhii Plokhy a leading historian of the Cold War and Ukrainian history joins the stories of the Russo Ukrainian War and the Chernobyl nuclear disaster to sound the alarm about the dangers of nuclear sites in a time of heightened conflict There are 440 such sites around the globe today and Russia's aggression against Ukraine will

not be the last war in human history The story of the men and women of Chornobyl is more than recent history it is also a glimpse into the not so distant future *Theatre Record*, 2000 *The 1999-2000 Elections in Russia* Vicki L. Ukraine's Unnamed War Dominique Arel, Jesse Driscoll, 2023-01-05 A concise account of the roots of Russia s invasion of Ukraine describing how the 2013 14 intra Ukrainian political clashes were exploited by Russia **Dual** Justin L. Cescolini, 2015-06-30 High school senior Taylor Pope is infatuated with Mia Peltz an all American girl and aspiring model that grew up in his home town of Chestnut Hill Humiliated and betrayed by the events that unfolded at a school dance Taylor gets behind the wheel of his sports car and in a driving frenzy crashes at high speed in an accident that should have ended his life Taylor survives the crash without so much as a scratch however having regained consciousness he now finds himself in another dimension A world very different from his own and governed by people known as Zhaarians He has unintentionally crossed into a world that does not wish its existence to be known and while Taylor s needs are met the decision awaits on whether to return him back to his home While stranded in this strange dimension he meets a young Zhaarian called Una who carries a striking resemblance to Mia Despite romance between them being forbidden their attraction for one another is instant and they soon fall in love However Taylor s troubles have only just started and while his own life hangs in the balance he must discover a way of stopping those whose means are to destroy Earth and ultimately end all existence in the first dimension Dual is an unconventional love story that simply knows no bounds where the concept of true love and the struggle to keep it is very much real *The Complete Index to Literary Sources in Film* Alan Goble, 2011-09-08 No detailed description available for The Complete Index to Literary Sources in Film **The Soviet Suppression of Academia** Petr A. Druzhinin, 2022-06-30 Recently scholarship has paid increasing attention to the Soviet dissident movement that emerged in the mid 20th century but what Petr A Druzhinin asks happened to those academics who did not form part of this circle Through its intimate portrayal of the persecution of non dissident literary scholar Konstantin Azadovsky The Soviet Suppression of Academia sheds new light on the relationship between power and culture in Soviet Russia Based on rare access to KGB materials and other sources this book traces Azadovsky s persecution from the 1960s when he refused to become a KGB informant to his arrest on trumped up drug charges and imprisonment in a labour camp in the 1980s to his struggle for rehabilitation through the early 1990s Here for the first time in English one of the KGB s secret operations

against a prominent intellectual is revealed in full horrific detail By telling the fascinating story of an individual's struggle with the powerful state machine this book provides much needed insight into the experience of life under KGB monitoring and repression and adds nuance to ongoing debates about the relationship between Soviet intellectuals and the state

Fiber Menace: The Truth About the Leading Role of Fiber in Diet Failure, Constipation, Hemorrhoids, Irritable Bowel Syndrome, Ulcerative Colitis, Crohn's Disease, and Colon Cancer Konstantin Monastyrsky, 2005 *Red Moon* Massimo

Capaccioli, 2024-05-08 The book is about the space race starting from the earliest steps of astronautics to the Moon landings of Armstrong and Aldrin The conquest of space began as a by product of an exquisitely military project the rapid and efficient delivery of explosives conventional and then nuclear over great distances into enemy territory It happened at the turn of World War II first with the V2s the Wunderwaffen that von Braun had created for his Führer and after the surrender of Germany and Japan with the intercontinental ballistic missiles that the Russians and Americans built to serve as cabs for atomic bombs Restrained by the fear of nuclear holocaust the two great powers that had momentarily divided the government of the world turned the risky muscular confrontation into an unusual race to climb the sky a stage race with a conventional finish line marked by the human landing on the Moon Under the constant guidance of Sergei Korolev the mysterious chief designer the Soviets got off to a surprise start and stayed in the lead until almost the end with the Sputniks the orbital flights of Gagarin and Tereshkova the first spacewalk and the unmanned soft landings on the Moon and Venus only to be caught up and overtaken by the Americans at the very edge An adventure that lasted a total of twelve years marked by brilliant and courageous men by astute and far sighted politicians by patriotism and ambition and as always regulated by luck which profoundly affected our world and the design of its future **Sakharov And Power: On The Other**

Side Of The Window Boris Altshuler, 2022-11-08 This book is a testimony to the amazing life of Andrei Sakharov 1921 1989 the great scientist and great man the creator of the most terrible weapon in the history of mankind and at the same time the Nobel Peace Prize Winner Sakharov's life is one might say an exciting detective story a chain of incredible events not accidental however but dictated by the genius and fortitude of the protagonist The theme of this book acquired new striking meanings after the Sakharov documents of the KGB of the USSR and of the Politburo of the Soviet ruling Communist Party were declassified I'm not on the top floor I'm next to the top floor on the other side of the window Sakharov once joked referring to the top floor of political power This joke accurately reflects the uniqueness of his status which has become his destiny Andrei Sakharov is a giant among thought leaders who have shaped the fate of mankind This book is an important commemoration of his 100th birthday to summarize his creative experience of producing miracles which will help to find constructive solutions to the challenges of the 21st century The peculiarity of this book is that the main storyteller is Sakharov himself it collects the most significant quotes from his memoirs alternate with vivid memories of people who knew him offering documentaries and explanations *To Break Russia's Chains* Vladimir Alexandrov, 2021-09-07 A brilliant

examination of the enigmatic Russian revolutionary about whom Winston Churchill said few men tried more gave more dared more and suffered more for the Russian people and who remains a legendary and controversial figure in his homeland today Although now largely forgotten outside Russia Boris Savinkov was famous and notorious both at home and abroad during his lifetime which spans the end of the Russian Empire and the establishment of the Soviet Union A complex and conflicted individual he was a paradoxically moral revolutionary terrorist a scandalous novelist a friend of epoch defining artists like Modigliani and Diego Rivera a government minister a tireless fighter against Lenin and the Bolsheviks and an advisor to Churchill At the end of his life Savinkov conspired to be captured by the Soviet secret police and as the country's most prized political prisoner made headlines around the world when he claimed that he accepted the Bolshevik state But as this book argues this was Savinkov's final play as a gambler and he had staked his life on a secret plan to strike one last blow against the tyrannical regime Neither a Red nor a White Savinkov lived an epic life that challenges many popular myths about the Russian Revolution which was arguably the most important catalyst of twentieth century world history All of Savinkov's efforts were directed at transforming his homeland into a uniquely democratic humane and enlightened state There are aspects of his violent legacy that will and should remain frozen in the past as part of the historical record But the support he received from many of his countrymen suggests that the paths Russia took during the twentieth and twenty first centuries the tyranny of communism the authoritarianism of Putin's regime were not the only ones written in her historical destiny Savinkov's goals remain a poignant reminder of how things in Russia could have been and how perhaps they may still become someday Written with novelistic verve and filled with the triumphs disasters dramatic twists and contradictions that defined Savinkov's life this book shines a light on an extraordinary man who tried to change Russian and world history

The New Russian Business

Leaders Manfred F. R. Kets de Vries, Stanislav V. Shekshnia, Konstantin Korotov, Elizabeth Florent-Treacy, 2005-01-01 As a study of Russian business leadership the depth of research and cogency of argument in the book is well ahead of anything else seen to date and to that end it deserves to be highly regarded The Delta Intercultural Academy This book is obligatory reading for those planning to do business in Russia or wishing to understand how business is conducted The New Russian Business Leaders is written by a distinguished group of international management specialists including two Russians Using models and case studies of leading Russian companies and entrepreneurs the authors draw conclusions about Russia's evolving business climate the requirements for entrepreneurial success and the value of international business education for Russia's business leaders Paul Gregory Slavonic and East European Review This highly talented multinational team has produced a rich and meaningful contribution to the literature on Russian business These authors know the very essence of Russia from their extensive academic and practitioner experience They deliver fascinating original in depth case studies of the pioneering men and women business leaders of modern Russia's first capitalist decade They also interpret the cases in

the context of Russia's history and culture and offer a comprehensive framework for how Russian business and leadership could evolve to build the country's economy. *The New Russian Business Leaders* will surely serve for years to come as an authoritative source for academics and practitioners seeking to understand the underlying dynamics of Russian business and its leaders. Sheila M. Puffer, Northeastern University, Boston, US.

In order to work effectively with Russian organizations, it is essential for potential Western partners and shareholders to fully understand their leadership style, organizational practices, and business expectations. Based on extensive interviews with the pioneers of Russian business and the authors' own experiences, this perceptive new book attempts to decipher the enigma of Russia's new generation of business leaders. The authors present six in-depth case studies focusing on companies of vastly differing sizes, ranging from a newly privatized operation and the creation and organization of an oligarch's empire to several entrepreneurial start-ups in different service industries. The case studies document the changes and developments that have occurred in Russia since the privatization era of the 1990s, highlighting the strengths and weaknesses of the emerging business leadership orientations. Grounded in Russian culture and history, the book takes a balanced view of the rapid development and transformation of the country's business leadership over the past ten years. The authors also offer perceptive conclusions and practical advice that will not only contribute to the success of Western businesses operating in Russia and other former communist countries in Eastern Europe but also help business people in Eastern Europe create high performance organizations. As we move towards a globalized economy, the need to recognise executive behaviour in Russia is becoming increasingly important. This book will provide a great source of information for academics and researchers of entrepreneurship, leadership studies, and international business. Although the focus is on Russian entrepreneurs, the lessons in the book are equally as relevant for other cultures and leadership styles.
