Motivating Change: Sustainable Design and Behaviour in the Built Environment Robert Crocker, Steffen Lehmann, 2013-07-24 Today's most pressing challenges require behaviour change at many levels from the city to the individual. This book focuses on the collective influences that can be seen to shape change. Exploring the underlying dimensions of behaviour change in terms of consumption, media, social innovation and urban systems, the essays in this book are from many disciplines including architecture, urban design, industrial design and engineering, sociology, psychology, cultural studies, waste management and public policy. Aimed especially at designers and architects, *Motivating Change* explores the diversity of current approaches to change and the multiple ways in which behaviour can be understood as an enactment of values and beliefs, standards and habitual practices in daily life and more broadly in the urban environment.

Working with Students with Disabilities Theresa A. Quigney, Jeannine R. Studer, 2016-01-22 Like no other book available, *Working with Students with Disabilities: A Guide for School Counselors* provides comprehensive coverage of school counselors' roles in special education and working with students with disabilities and connects that coverage to both the ASCA national model and CACREP standards. In *Working with Students with Disabilities*, school counselors will find thoughtful analyses of the legal and regulatory basis for many of the practices in special education, including an overview of pertinent laws including the Individuals with Disabilities Education Improvement Act and Section 504 of the Rehabilitation Act. They will gain an in-depth understanding of the leadership role that school counselors should play in supporting students, teachers and families, and they will also come away with an understanding of the common challenges like bullying, cyberbullying and successful transitioning from high school to adult life to which students with disabilities may be more vulnerable, as well as less common challenges such as behavioral difficulties, autism spectrum disorders and many more. **The Great Ormond**

Street Hospital Manual of Children and Young People's Nursing Practices Elizabeth Anne Bruce, Janet Williss, Faith Gibson, 2023-03-20 Clinical skills are essential in the provision of care for children and young people. *The Great Ormond Street Hospital Manual of Children and Young People's Nursing Practices* provides expert guidance on evidence-based clinical procedures, helping students and newly registered nurses develop sound clinical judgement and confidence. Debates on U.S. Immigration Judith Gans, Elaine M. Replogle, Daniel J. Tichenor, 2012-08-17 This issues based reference work available in both print and electronic formats shines a spotlight on immigration policy in the United States The U S is a nation of immigrants Yet while the lofty words enshrined with the Statue of Liberty stand as a source of national pride the rhetoric and politics surrounding immigration policy all too often have proven far less lofty In reality the apparently open invitation of Lady Liberty seldom has been without restriction Throughout our history impassioned debates about the appropriate scope and nature of such restriction have emerged and mushroomed among politicians among scholars of public policy among the general public In light of the need to keep students researchers and other interested readers informed and up to date on status of U S immigration policy this volume uses introductory essays followed by point counterpoint articles to explore prominent and perennially important debates providing readers with views on multiple sides of this complex issue While there are some brief works looking at debates on immigration as well as some general A to Z encyclopedias we offer more in depth coverage of a much wider range of themes and issues thus providing the only fully comprehensive point counterpoint handbook tackling the issues that political science history and sociology majors are asked to explore and to write about as students and that they will grapple with later as policy makers and citizens

Features Benefits The volume is divided into three sections each with its own Section Editor Labor Economic Debates Judith Gans Social Cultural Debates Judith Gans and Political Legal Debates Daniel Tichenor Sections open with a Preface by the Section Editor to introduce the broad theme at hand and provide historical underpinnings Each section holds 12 chapters addressing varied aspects of the broad theme of the section Chapters open with an objective lead in piece or headnote followed by a point article and a counterpoint article All pieces headnote point article counterpoint article are signed For each chapter students are referred to further readings data sources and other resources as a jumping off spot for further research and more in depth exploration Finally volume concludes with a comprehensive index and the electronic version includes search and browse features as well as the ability to link to further readings cited within chapters should they be available to the library in electronic format

Child labour among pastoralist communities Food and Agriculture Organization of the United Nations, 2024-07-01 This study provides in depth insights about the status of children working in pastoral communities engaging in livestock related activities in the Karamoja subregion of Uganda it provides key analysis in terms of the prevalence extent and causes while highlighting policy gaps to address child labour in this specific subsector and community s social organization Evidence from this study reveals that children in Karamoja start engaging in unpaid

work aged as young as 5 years for unpaid family work and less than 10 years for paid tasks The results also show that children are highly exposed to risky activities and at least two of the top five tasks performed by boys and girls are ranked as being very risky Parents in Karamoja subregion have poor birth records which exacerbate child labour Given the close association between child labour and education the study also obtained information regarding school attendance Lastly based on these findings with surveyed households the study identifies key policy implications and recommendations

Pokhriyal, B.S. Nagi, M.C. Sati, Padmakar Mishra, R.P. Juyal and A.S. Khullar, 2023-01-01 Achieving the lofty Goal 4 of the UNSDGs which aims to ensure inclusive and equitable quality education and promote lifelong learning opportunities for all will require the entire education system to be reconfigured a fact as aptly underlined in the National Education Policy 2020 of India This would essentially entail putting in place a very effective educational governance devised and formulated on the basis of cutting edge research outputs Three Volumes of the present book is a modest yet maiden attempt to comprehend and unfold the blending of diverse research methodologies and amply demonstrate through empirical findings that innovative policies and interventions curated on the basis of this approach of research can ensure quality education Governance emerges as one of the core areas for research Therefore Volume I provides a wide canvas of governance in general and educational governance in particular for research along with a unique opportunity to elaborate both the theory and practice of Quantitative Qualitative and Participatory Methodologies in researching governance that is the frontier challenge looking for suitable answers Volume II uniquely comprehends multiple

aspects of quality in dynamic and wider perspectives as perceived by the primary stakeholders including community. Refreshing insight into the quality perspectives of educational governance will facilitate the researchers to explore innovative interventions in respective areas of human development. Community is the third constituent of governance along with the state and the market. Therefore Volume III explores a futuristic vision of community governance leading to quality education. Also an attempt has been made to critically appraise the provisioning of community governance including the local self governments as well as free and compulsory elementary education. The Book is a live comprehension of the conceptual framework of research and methods along with handling of research problems at the ground. It is like explaining how to by giving suitable case studies conducted by the authors on educational governance. It is hoped that the three Volumes will be an exciting learning experience that would enable us to address researching challenges over which the public policy makers, researchers, development administrators, planners and students may build their concepts, logical structures and planned interventions facilitating the achievement of effective educational governance at micro level ensuring quality education in the coming decades.
