Schmidt, 2009-10-01 The best of therapy and spiritual direction begins with telling stories that describe where we have been and where we are going Luke is neither a psychologist nor a spiritual director but intuitively he understands the importance of storytelling as the key to human growth change and healing Speaking to the crisis of faith faced by his church Luke retells the story of Jesus birth ministry death and resurrection as a means of addressing the spiritual struggles that resurface generation after generation Touching on issues of belonging authority tradition behavior and hope Schmidt offers a reading of Luke s gospel that speaks to today s reader
