## Working Hypothesis and Interpretation

What are your persuasions about the world you are going to show in your film, the main "statement" that you want to emerge out of the film's dialectics? Write a hypothesis statement incorporating this wording:

In life I believe that:

My film will show this in action by exploring (situation):

The main conflict is between:

Ultimately, I want the audience to feel:

and to understand that:

## Topic

Write a concise paragraph about:

1. Your film's subject (person, group, environment, social issue, etc.)
2. The necessary background information the audience must have to understand and to be interested in the enclosed world you intend to present. Be sure to show how this information will emerge.

## Action Sequences

Write a brief paragraph for each intended sequence that shows an activity. (A sequence is usually delineated by being in one location, one chunk of time, or an assembly of materials to show one topic). Incorporate the following:

1. What the activity is and what conflict it evidences
2. A metaphor to explain its subtextual meaning
3. The expected structure of events
4. What the sequence should contribute to the whole film and to the hypothesis
5. What facts the audience must gather from watching it
6. What key, emblematic imagery you hope to capture

## Main Characters

Write a brief paragraph about each of your main characters. For each include:
