

NON-DENOMINATIONAL INVOCATIONS FOR KIWANIS MEETINGS

- ❖ Let us take a moment to remember all the religions represented in the Kiwanis family. Let us also recall that when we were invited to join our Kiwanis clubs we were not asked "are you a Protestant, a Hindu, a Muslim, a Jew, a Catholic or a Buddhist?" You are not asked because all religions are welcome in the Kiwanis family.

Please join me in a moment of reflection and thanks with these words:

With our friends beside us and no person beneath us, with the bonds of Kiwanis between us, and our worries behind us, with our goals before us, and no task beyond us, with a thirst for knowledge, and a dream of a disease-free world, we are thankful for our Kiwanis friends and the meal we are about to share.

- ❖ Will you please bow your head with me. Let us pray silently together, each one of us according to our individual beliefs. Let us offer thanks for our food, blessings for one another. Let us be a source of hope for those in need and contentment for those who are lonely. Let us give gratitude for our opportunity to serve Kiwanis. Let the feelings of love, kindness, and a well-directed yet gentle spirit always be reflected in our actions.
- ❖ Let my eyes be opened. Let me awake and see the beauty that surrounds me all around. Let me hear the singing birds make their wonderful sound. Let me thank God for my health that has been good to me so far. Let all my dreams come true when wishing upon a star. Let me be thankful for friendship that was lovingly given me. Let me never forget the caring that was made for me to see.
- ❖ Will you please bow your head with me. Let us pray silently together, each of us according to our individual beliefs. Let us offer thanks for our food, blessings for one another and for absent friends. Let us be a source of hope for those in need, and contentment for those who are lonely. Let us give gratitude for our opportunity to serve Kiwanis. Let the feelings of love, kindness, and a well-directed, yet gentle spirit always be reflected in our actions.

Latter-Day Political Views Jeffrey Carl Fox,2006-01-01 Latter Day Political Views is a formal study of the effect of religion and culture on the political worldviews of practicing Mormons from different races and nationalities Previous studies have focused on Mormons in Utah and found phenomenally high levels of homogeneity in Latter Day Saints LDS political views so much so that Mormons have been considered a distinct ethnic group What author Jeffrey C Fox finds shatters this illusion Here he illuminates how people with different backgrounds are able to not only reconcile various clashing cultural beliefs with Mormon doctrine but also form their own unique political views that differ systematically by race and political culture As the church rapidly expands and becomes more racially and culturally diverse Latter Day Political Views encourages readers to expand their field of vision and understand the impact of Mormon doctrine on the political thought of all its members

Congressional Record United States. Congress, 1971 **The Religious Left and Church-State**

Relations Steven H. Shiffrin, 2012-09-16 In *The Religious Left and Church State Relations* noted constitutional law scholar Steven Shiffrin argues that the religious left not the secular left is best equipped to lead the battle against the religious right on questions of church and state in America today Explaining that the chosen rhetoric of secular liberals is poorly equipped to argue against religious conservatives Shiffrin shows that all progressives religious and secular must appeal to broader values promoting religious liberty He demonstrates that the separation of church and state serves to protect religions from political manipulation while tight connections between church and state compromise the integrity of religious institutions Shiffrin discusses the pluralistic foundations of the religion clauses in the First Amendment and asserts that the clauses cannot be confined to the protection of liberty equality or equal liberty He explores the constitutional framework of religious liberalism applying it to controversial examples including the Pledge of Allegiance the government's use of religious symbols the teaching of evolution in public schools and school vouchers Shiffrin examines how the approaches of secular liberalism toward church state relations have been misguided philosophically and politically and he illustrates why theological arguments hold an important democratic position not in courtrooms or halls of government but in the public dialogue The book contends that the great issue of American religious politics is not whether religions should be supported at all but how religions can best be strengthened and preserved
