MEETING NOTES

I met with the client for a 45-minute session. The client reported feeling better since our last session. They mentioned that they had been able to manage their anxiety more effectively. The client also discussed their progress with their homework assignments. They noted that they had been able to apply the techniques we discussed in session. The client expressed a desire to continue working on their goals. They mentioned that they had been able to identify their triggers and manage their reactions. The client also discussed their feelings about the therapy process. They expressed a positive attitude towards the therapy and the therapist. The client mentioned that they had been able to communicate more effectively with their family. They also discussed their plans for the future. The client mentioned that they had been able to set realistic goals and work towards them. The session ended with the client expressing their appreciation for the therapist's support and guidance.

Sample Psychotherapy Progress Notes

Donald E. Wiger

Sample Psychotherapy Progress Notes:
