Landlord's Law Book Mary Ann Hallenborg,2003 The New York Landlord s Law Book explains New York landlord tenant law in comprehensive understandable terms and gives landlords the tools they need to head off problems with tenants and government agencies alike **Real-resumes for Real Estate & Property Management Jobs** Anne McKinney,2006 When you have worked in the real estate industry or property management field you need to see pictures of resumes from others with similar backgrounds How much does it help you to look at resumes of nurses CEOs or teachers when you come to change fields or seek employment At last there is a book of resumes and cover letters tailored to your needs See how professionals like you have shown their credentials and how they have used the specialized lingo of your field This is YOUR resume book written especially for you if your background includes experience in real estate or property management or if you are trying to enter those fields for the first time A book written just for you by one of the most knowledgeable writers and editors who has specialized in helping job hunters **Quicken Willmaker & Trust 2025** Editors of Nolo,2024-10-29 A Complete Estate Plan for Your Entire Family Quicken WillMaker Trust 2025 Book Online Software Kit is the easiest way to create your estate plan whether you re just getting started or want to update your previous arrangements With this book you get access to powerful software that guides you through the process from beginning to end giving you the practical and legal information you need to make the best decisions for you and your family Quicken WillMaker Trust 2025 Book Online Software Kit is the original estate planning software created and updated regularly by Nolo s experts Buying this book gives you access to the software You can choose to make your estate plan online or using software downloaded to your computer As you re making your estate plan you ll use the book as a guide and legal manual Included Documents Wills The heart of every estate plan is a will also known as a last will and testament This legal document puts you in control of who inherits your property and who would take care of your children if it were ever necessary Without a will state law determines these issues Making a will rarely involves complicated legal rules If you re like most people you won t need a lawyer With good do it yourself materials it s simple and easy to make a will that takes care of basic concerns such as leaving a home investments a small business and personal items to your loved ones Living Trusts A revocable living trust unlike a will offers a fast private probate free way to transfer one s property after death Although a living trust is not a complete substitute for a will it doesn t allow you to name a guardian for a child for example it can be a more efficient way to transfer property at death especially large ticket items such as a house Transfer on Death Deeds Transfer on death TOD deeds transfer property to your beneficiary when you die without probate Before your death you still own the property and you can revoke the deed or make a new one at any time TOD deeds provide some of the best features of both wills and living trusts Like living trusts TOD deeds keep the property out of probate Like wills they are simple to make revise and revoke So for many people particularly

those whose largest asset is their house TOD deeds can replace the need for a living trust You ll still almost certainly need a will Financial Powers of Attorneys A durable power of attorney ensures that someone you trust called your agent or attorney in fact will be on hand to manage the many practical financial tasks that will arise if you become incapacitated Health Care Directives Living Will and Medical Power of Attorney Spare your loved ones difficult decisions by laying out your wishes for medical care and naming someone to carry out your instructions Includes a health care power of attorney and a living will Letters to Survivors Use the Letter to Survivors to leave your loved ones detailed explanations about your decisions You can also use your letter to leave some general thoughts about your life Final Arrangements Plan a funeral or other ceremony and ease the burden on your loved ones Describe your preferences for burial cremation memorials obituaries and more Download the software or make your documents online in your secure WillMaker customer account Then follow the step by step interviews to create an estate plan that s tailored to your wishes and the laws of your state You ll get detailed instructions on how to sign your documents and make them legal Quicken WillMaker Trust is reviewed year round by Nolo s expert attorneys and it receives ongoing legal and technical improvements WillMaker s downloadable software receives automatic legal and technical updates through 2025 Online you can make changes to your WillMaker documents for one year after activating your WillMaker account With your purchase you get both the software and online versions of WillMaker see above Documents reflect the laws of your state estate planning documents are not valid in Canada Louisiana and US Territories
