PROMISES OF GOD'S GUIDANCE Edward D. Andrews,2018-03-23 *EVIDENCE THAT YOU ARE TRULY*

CHRISTIAN Edward D. Andrews,2015-10-22 Are You Truly a Christian Or Only Deceiving Yourself Jesus warned that many will say Lord Lord yet be rejected on the last day Matthew 7 21 23 Authentic Christianity is not measured by words rituals or feelings It is measured by obedience to Scripture endurance in truth and fruit that proves genuine faith Evidence That You Are Truly Christian confronts readers with the Bible s tests of real discipleship With unwavering commitment to the authority of God s Word this book exposes false assurance strengthens true believers and calls every reader to self examination in the light of Scripture Inside you will discover The biblical marks of genuine faith How to distinguish saving belief from empty profession Why obedience endurance love and witness are the true evidences of salvation Practical guidance on interpretation Bible study apologetics and resolving difficulties This is not a book of opinions It is a call to measure your life by Jehovah s unchanging Word For nothing is more urgent than knowing whether your faith is real and nothing is more hopeful than the promise that those who are truly in Christ will never be put to shame *Applied New Testament Bible Commentary* Tom Hale,Steve Thorson,2012-12-10 The wisdom found in God s Word is timeless as relevant today as when it was first written And the challenge for believers remains unchanged how do we apply these truths to our everyday world The Applied Commentary series is a fresh approach to Bible study connecting great wisdom with your life today Each Scripture passage is enhanced with insights on key themes and ideas Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy reading And because some subjects are open to interpretation for discussion we ve included perspectives from leading theologians from all backgrounds and denominations The result An interactive approach to Scripture that will challenge your ideas and build your faith which is what reading the Bible is all about **EXPLAINING THE HOLY SPIRIT** Edward D. Andrews,2016-01-08 YOU WILL RECEIVE THE POWER WHEN THE HOLY SPIRIT HAS COME UPON YOU Acts 1 8 UASV The authors of the Bible were men who spoke from God as they were carried along by the Holy Spirit i e inspired by the Holy Spirit in order to author their books The Holy Spirit today guides Christians as they walk with God The Holy Spirit will be at work in the Christian life when we are troubled over the

difficulties we face when we are in the darkness of Satan's world to remind us of the good things to come to guides in our daily decisions walk us through our needs strengthen our faith help us through the pains and sorrows of life All Christians have need of The Holy Spirit if they are to enjoy the life we have now and the one to come Gal 5:22-23 However exactly how does the Holy Spirit operate in our lives Precisely how does the Holy Spirit guide Christians today In EXPLAINING THE HOLY SPIRIT Edward D Andrews will clearly communicate deep weighty and insightful truths about the Holy Spirit THE BIBLE ON TRIAL Edward D. Andrews, 2023-01-19 The Bible has been the subject of much debate and scrutiny throughout history Some have hailed it as the inspired word of God while others have dismissed it as nothing more than a collection of myths and legends In this book we will take a closer look at the evidence for the Bible's inspiration inerrancy authenticity and truthfulness We will examine the historical archaeological and scientific evidence that supports the Bible's claims and explore the arguments of those who challenge its validity Throughout the pages of this book we will delve into the complex and often controversial issues surrounding the Bible We will explore the historical context in which the Bible was written and the evidence that supports its authenticity We will examine the scientific accuracy of the Bible and the ways in which it has stood the test of time We will also explore the many claims of inerrancy and inspiration that have been made about the Bible and consider the arguments of those who challenge these claims Ultimately the goal of this book is to provide a comprehensive and objective examination of the evidence for the Bible's inspiration inerrancy authenticity and truthfulness Whether you are a devout believer or a skeptic this book will provide you with the information you need to make an informed and reasoned judgment about the Bible So come along on this journey as we explore the evidence for the Bible's place in history and its relevance in our lives today **Perseverance and Apostasy in the New Testament** Dongsu

Kim, 2022-05-27 **Perseverance and Apostasy in the New Testament** thoroughly examines all the New Testament texts relevant to the controversial questions of whether a genuine believer can apostatize and or whether an apostate can be restored The primary contribution of the book lies in the in depth exegesis of the relevant New Testament Greek texts against the socio historical circumstances of each faith community in the New Testament The book inductively shows that the New Testament writers maintain a uniform perception on perseverance and apostasy based on Jesus words that bear upon the subject described in the Gospels It also illuminates questions of the relationship between God's sovereignty and human responsibility the role of the Holy Spirit for the believer's perseverance and the role of Satan for the apostates falling away The book is a needed addition to earlier works on perseverance and apostasy **ENDORSEMENTS** The debate over the issues of perseverance and apostasy will likely remain in the church until the coming of Christ Many despair of ever coming to a definitive conclusion often contending that the biblical evidence is inconsistent and beyond resolution Don Kim's near exhaustive analysis of the relevant NT texts proves otherwise He is thoroughly conversant with virtually all contributors to this subject and his meticulous contribution will surely prove to be the standard for future dialogue Anyone who proposes to

engage with this controversial matter cannot afford to overlook this remarkably helpful and insightful book Dr Sam Storms Lead Pastor of Bridgeway Church Oklahoma City Enjoying God Ministries Don Kim has written an amazingly thorough and careful study on perseverance and apostasy in the New Testament Scholars disagree on how to interpret these difficult passages but Kim defends well his own understanding and his important study will have to be reckoned with in future work on this controversial topic Dr Thomas R Schreiner James Buchanan Harrison Professor of New Testament Interpretation and Professor of Biblical Theology The Southern Baptist Theological Seminary Perseverance and Apostasy in the New Testament is a well executed and thorough examination of New Testament texts that bear upon or otherwise illuminate the difficult question of whether a true believer can apostatize The author neither avoids difficult questions nor skirts challenging texts Rather he carefully works his way through each relevant New Testament text s central exegetical questions offering judicious insights and integrating those insights into a collective explanation I found some of my own assumptions challenged while reading this book I am happy to recommend it as a helpful addition to and sometimes needed correction of earlier works on perseverance Dr Kenneth Berding Professor of New Testament Talbot School of Theology at Biola University Perseverance and Apostasy in the New Testament concentrates on the crucial questions of whether genuine believers in Jesus could apostatize and whether the NT presents a consistent picture on that very issue by providing a careful exegetical treatment of numerous passages across the New Testament beginning with the Synoptics and John s Gospel walking through Acts and the letters and completing with the book of Revelation One s theological presuppositions will of course affect how he she receives and responds to Kim s case It will also be unrealistic to expect even those agreeing passionately with Kim to concur on every detail in a tome of this magnitude Yet undoubtedly Perseverance and Apostasy in the New Testament proves to be an essential reading for pastors and theological students who should wrestle with the issue of perseverance and apostasy and the relevant biblical texts to form their own conclusions This well written book will serve its readers effectively by sharpening or challenging their views if not both Dr John Lee Associate Professor of New Testament Midwestern Baptist Theological Seminary This substantial study by Dongsu Kim is a decisive demonstration of the historic doctrine of the perseverance of the saints taught and defended by the Reformed tradition Perseverance and Apostasy in the New Testament provides a thoroughly biblical and hermeneutically and canonically sensitive study Kim s exposition is scholarly rigorous and articulate He argues persuasively that the various biblical writers engagements with apostasy are consonant with the Scriptures declarations of divine sovereign grace in salvation Perseverance and apostasy in the New Testament is an extensive arsenal of biblical and theological insights that will be of value for exegetes and theologians alike Dr Peter A Lillback president Westminster Theological Seminary Philadelphia The Reformed doctrine of perseverance of the saints has recently been tremendously challenged and egregiously distorted For example the New Perspective on Paul has seriously rejected the traditional wisdom advocating revisions not only of the doctrine of perseverance but also justification In response to these

criticisms challenges and distortions this book provides a most comprehensive and compelling antidote with profoundly detailed and meticulous exegetical engagements with the New Testament texts Dr Kim did an excellent job in presenting a powerful and persuasive case for God's gracious and faithful preservation of true believers in Christ This is a masterpiece and must read for anyone interested in Scripture's teachings about the ideas of perseverance and apostasy Dr Sung Wook Chung Professor of Christian Theology Denver Seminary Kim asks whether New Testament authors maintain a consistent theology of perseverance and apostasy or not Is it conceivable that divinely inspired authors contradict each other with different theologies of perseverance and apostasy Or must we admit they contradict each other and deny plenary verbal inspiration of Scripture Kim is fully aware that no scholar asks these questions without theological presuppositions which predetermine his answers He himself enters this hermeneutical circle with his own working definitions of perseverance and apostasy He challenges himself and his readers allow the New Testament itself to revise and refine our theological presuppositions and working definitions Kim is also aware of the error of selective evidence To avoid it he chooses passages from the entire New Testament that he deems critical to understanding the subject of perseverance and apostasy Kim's book is new essential reading for everybody who wants to formulate a comprehensive New Testament theology of perseverance and apostasy Dr Andrew D Parlee Professor of Systematic Theology Greater Europe Mission Thirdmill Seminary Through the Lens of An Ancient Yisra'elite Bible Study Benjamin Nieves Carrasquillo Jr.,2025-05-28 The information contained in this book is based on 23 years of thorough academic research teaching and schooling The book avoids any form of western bias no presuppose ideas ideologies or theories The book is an in depth study of the Biblical text within the context of the ancient culture language traditions and customs of a first century Yisra elite *WAGING WAR* Heather M. Freeman,2017-02-19 The purpose of Waging War is to guide the youth of this program from start to finish in their therapeutic efforts to gain insight into their patterns of thinking and beliefs that have led to the current outcomes in their life thus far and enable them to change the path which they are on Waging War is a guide to start the youth with the most basic information and work pages to the culmination of all of the facts scripture and their newly gained insight to offer a more clear picture of where they are and how to change their lives for the better Every chapter will have work pages that Freeman has used and had found to be useful in therapy but most importantly this workbook will teach the Word to a population that does not hear it in its most correct form What is the significance of controlling one's thoughts and how does that apply to you Doubts fears and insecurities come from somewhere especially when they are pervasive Understanding this idea will help one to fight those thoughts and free them from the shackles their mind puts around their hearts preventing them from achieving their dreams and the plans God had intended for them when they were created *Jesus Before Constantine* Doug E. Taylor,2020-08-12 That's now but what about then There is much diversity in Christianity today in terms of what constitutes necessary core beliefs but what can we know about the earliest Christianity Until the major councils began in the fourth century were all

who claimed to be Christian considered part of the church or was there more to it than just claiming a name Is there evidence for how the church understood core and necessary beliefs prior to Constantine s arrival in history and the Council of Nicea in AD 325 This book examines such questions Using only those materials that are accepted by most scholars on the subject whether they are Christian or not and focusing on the period from AD 30 250 a picture emerges showing what Christians held as a core belief as well as how flexible they were on this belief Only after identifying where the church stood in this period can we begin to understand whether others such as Ebionites Docetists and Marcionites would have been accepted as Christian A case is made based on writings from the church the Nag Hammadi and a completely secular tool from the twentieth century to find the conclusion to this question
