**The Beginner's Guide To Metaphysics** Kimberly A. James, 2025-02-28 The Beginner's Guide to Metaphysics is an introduction into certain types of metaphysical knowledge that has been presented throughout time immemorial. It is by no means all inclusive. Some of the material presented dates back to Atlantis, Mu, Lemurian, and Ancient Egyptian times. Recent discoveries are now indicating that Atlantis existed well over 13,000 years ago. It is the hope of this author to provide some basic insight into our Earthly perspective of the Universe for our true understanding has been hidden for thousands of years. It should also be noted that the ultimate goal of this project is to broaden one's perspective and provide opportunities to expand one's consciousness and not just individually or even globally but on a galactic level. The world in which we live is based upon metaphysics. The Greeks considered metaphysics to be one of the branches of philosophy. Merriam Webster defines metaphysics as a division of philosophy that is concerned with the fundamental nature of reality and being, emphasis added, which also includes the study of ontology, cosmology, and epistemology. While physics is based upon our three-dimensional existence and concerns the nature of matter and energy, the prefix meta refers to going beyond nature and the origin of reality itself. A few topics discussed in this Beginner's Guide include Chakras, Numerology, Intuition, and Reincarnation. By having basic knowledge of each topic contained in this book, the opportunity to hone in on a specific subject that resonates with one's understanding of the universe will become clear. In turn, this will provide the reader the jump start needed to pursue a specific field of interest and gain a greater understanding of the true limitlessness of every human being.

**Jesus in the Gospels: Leader Guide** Leander E. Keck, Nellie M. Moser, 2010-09-01 The leader guide provides guidance and the suggested schedule for weekly group sessions to enable discussion in small groups of what persons have discovered in their individual reading and study. Two pages of guidance per session include directions for using the related two-part video segment, procedures for group activity and study related to daily assignments, guidance for use of Gospel Comparisons in group study of Scripture, and questions for discussion. The portion of the weekly meeting when the group studies Scripture as a community recognizes the importance of and opens the way to reading Scripture aloud and hearing Scripture read aloud in the group.
