The NYPD Tapes Graham A. Rayman, 2013-08-06 From the Pulitzer Prize nominated reporter an account of a modern day Serpico's battle with an all powerful police department somber and inspiring Publishers Weekly In May 2010 NYPD officer Adrian Schoolcraft made national headlines when he released a series of secretly recorded audio tapes exposing corruption and abuse at the highest levels of the police department But according to a lawsuit filed by Schoolcraft against the City of New York instead of admitting mistakes and pledging reform Schoolcraft's superiors forced him into a mental hospital in an effort to discredit the evidence In The NYPD Tapes the reporter who first broke the Schoolcraft story brings his ongoing saga up to date revealing the rampant abuses that continue in the NYPD today including warrantless surveillance and systemic harassment Through this lens he tells the broader tale of how American law enforcement has for the past thirty years been distorted by a ruthless quest for numbers in the form of CompStat the vaunted data driven accountability system first championed by New York police chief William Bratton and since implemented in police departments across the country Forced to produce certain crime stats each quarter or face discipline cops in New York and everywhere else fudged the numbers robbing actual crime victims of justice and sweeping countless innocents into the police net Rayman paints a terrifying picture of a system gone wild and the pitiless fate of the whistleblower who tried to stop it A tale of crime prevention turned upside down in the Bloomberg era Rayman has invented a new genre the police misprocedural Tom Robbins New York Times bestselling author

Fight the Power Clarence Taylor, 2018-12-20 A story of resistance power and politics as revealed through New York City's complex history of police brutality The 2014 killing of Michael Brown in Ferguson Missouri was the catalyst for a national conversation about race policing and injustice The subsequent killings of other black often unarmed citizens led to a surge of media coverage which in turn led to protests and clashes between the police and local residents that were reminiscent of the unrest of the 1960s Fight the Power examines the explosive history of police brutality in New York City and the black community's long struggle to resist it Taylor brings this story to life by exploring the institutions and the people that waged campaigns to end the mistreatment of people of color at the hands of the police including the black church the black press black communists and civil rights activists Ranging from the 1940s to the mayoralty of Bill de Blasio Taylor describes the significant strides made in curbing police power in New York City describing the grassroots street campaigns as well as the accomplishments achieved in the political arena and in the city's courtrooms Taylor challenges the belief that police reform is born out of improved relations between communities and the authorities arguing that the only real solution is radically reducing the police domination of New York's black citizens

The Cop and the Stalker Vincent Davis, 2020-01-21 The Cop and the Stalker is a true story of what happened when a highly decorated New York City cop and a career criminal are put on a collision course with the help of US Customs and an overzealous federal prosecutor It is also a story of raw courage and the friendship of two youths growing up in Yonkers New York Vinny

Davis worked as a plainclothes cop in the highest crime neighborhoods of the Bronx in the eighties and nineties He would stop at nothing to put the bad guys behind bars Richie Sabol was a malevolent psychopath career criminal who preyed on the weak His first trip to state prison was for armed robbery but when he was paroled he was more violent than before He had moved on to beating people with baseball bats and shooting a drug dealer in the head while robbing him His crime spree ranged up and down the East Coast until he sold two kilos of coke and got sentenced to twenty years in federal prison Two years later he s back on the streets of New York He s now working for the feds with the promise he can deliver the Lucchese crime family on a silver platter And the justice department will do and say anything to ensure that he keeps his word at any cost <https://starworldwidenetworks.com/episodes/the-cop-the-stalker-and-the-mobsters-a-true-story> **The ^APragmatist**
