5.3 European Exploration and Its Effects Continued (Under "European Exploration" header):

5.3c The transatlantic trade of goods, movement of people, and spread of ideas and diseases resulted in cultural diffusion. This cultural diffusion became known as the Columbian Exchange which reshaped the lives and influenced the beliefs of people.

- Students will map the movements of people, plants, animals, and disease between Europe, the Americas, and Africa.

- Students will examine the effect of diseases introduced to the Western Hemisphere.

5.3d Africans were captured, brought to the Americas, and sold as slaves. Their transport across the Atlantic was known as the Middle Passage.

- Students will investigate why sugar was brought to the Americas, noting where it was grown and why, and the role of supply and demand.

- Students will examine the conditions experienced by enslaved Africans during the Middle Passage.

5.4 Geography in the Western Hemisphere (Under "Geography" header):

The diverse geography of the Western Hemisphere has influenced human culture, and settlement in distinct ways. Human communities in the Western Hemisphere have modified the physical environment.

(Standard 3, Theme GEO)

5.4a Physical maps reflect the varied climate zones, landforms, bodies of water, and natural resources of the Western Hemisphere.

5.4b The Western Hemisphere can be divided into regions. Regions are areas that share common, identifiable characteristics such as physical, political, economic, or cultural features. Regions within the Western Hemisphere include:

- North America (Canada and the United States)
- Mesoamerica (Mexico and Central America)

The Rise and Fall of Civic Education Michael Learn, 2024-09-16 Social studies is a field in crisis The crisis stems from failure to establish the very foundation of social studies purpose in public education civic education Social studies advocates have never put forth a coherent method for teaching civic education because policymakers and the public have been unable to agree upon a general definition of civic education This issue has disrupted the field since the early days As educators sought to include civic education within public schools as a dedicated field social studies evolved into a blending of history social sciences and civic education Social studies evolution never resolved the differences between the three with each discipline striving to control the narrative Instead of creating a unified field the disciplines devalued social studies and thus any discipline associated with it *The Rise and Fall of Civic Education* *The Battle for Social Studies in a Shifting Historical Landscape* investigates the changing definitions and purposes ascribed to social studies in the United

States through time This result is viewed through the rising tensions from culture wars as America's divisive politics fight to control the narrative of the disciplines within social studies [Mastering New York's Grade 5 Social Studies Standards](#) James Killoran, Stuart Zimmer, Mark Jarrett, 2005-01-01 [Social Studies for Secondary Schools](#) Alan J. Grant, 2014-04-04 Uses extended case studies of two New York teachers and their students combined with discussion of the existing research literature to explore issues central to understanding teaching learning and testing in secondary school history classrooms **Hollywood or History** Scott L. Roberts, Charles J. Elfer, 2018-07-01 Teaching and learning through Hollywood or commercial film productions is anything but a new approach and has been something of a mainstay in the classroom for nearly a century Purposeful and effective instruction through film however is not problem free and there are many challenges that accompany classroom applications of Hollywood motion pictures In response to the problems and possibilities associated with teaching through film we have collaboratively developed a collection of practical classroom ready lesson ideas that might bridge gaps between theory and practice and assist teachers endeavoring to make effective use of film in their classrooms We believe

that film can serve as a powerful tool in the social studies classroom and where appropriately utilized foster critical thinking and civic mindedness The College Career and Civic Life C3 framework represents a renewed and formalized emphasis on the perennial social studies goals of deep thinking reading and writing We believe that as teachers endeavor to digest and implement the platform in schools and classrooms across the country the desire for access to structured strategies that lead to more active and rigorous investigation in the social studies classroom will grow increasingly acute Our hope is that this edited book might play a small role in the larger project of supporting practitioners specifically K 12 teachers of United States history by offering a collection of classroom ready tools based on the Hollywood or History strategy and designed to foster historical inquiry through the careful use of historically themed motion pictures The book consists of K 5 and 6 12 lesson plans addressing the following historical eras Adapted from UCLA National Center for History in Schools
