Earth Science Simplified Shure Tzippy, 2004-05-01

Earth Science Simplified: The perfect earth science review book is a book that helps students as they study for the Earth Science Regents exam or other standardized Earth Science examinations. This review book is unique in two ways. It's written in point-by-point format so that there is no need to read through lengthy paragraphs to find the necessary information. Concept charts placed after each chapter clarify and organize the material. In addition, this book contains snapshots of reference table charts throughout the chapters with explanations on how to use the charts. The entire Earth Science Reference Tables can be found at the back of the book. A number of practice Regents questions follow every chapter. Answers to these questions are located in the back of the book. Procedures for labs included in the performance test are explained.

CliffsTestPrep Regents Earth Science: The Physical Setting Workbook American BookWorks Corporation, 2008-06-02

Designed with New York State high school students in mind, CliffsTestPrep is the only hands-on workbook that lets you study, review, and answer practice Regents exam questions on the topics you're learning as you go. Then you can use it again as a refresher to prepare for the Regents exam by taking a full-length practice test. Concise answer explanations immediately follow each question so everything you need is right there at your fingertips. You'll get comfortable with the structure of the actual exam while also pinpointing areas where you need further review. About the contents: Inside this workbook, you'll find sequential, topic-specific test questions with fully explained answers for each of the following sections: Observation and Measurement, The Dynamic Crust, Minerals and Rocks, Geologic History, Surface Processes and Landscapes, Meteorology, The Water Cycle and Climates, Astronomy, Measuring the Earth. A full-length practice test at the end of the book is made up of questions culled from multiple past Regents exams. Use it to identify your weaknesses and then go back to those sections for more study. It's that easy. The only review as you go workbook for the New York State Regents exam.
