Description of Classroom Composition

The classroom walls are covered with pictures, numbers, letters, and various objects, which creates a positive learning environment. There is a schedule on the board where all classes are listed. The classroom has several areas including students' and teachers' desks, closets for tools and a play area.

The activities included playing some toys, playing with plasticine, and listening to the teacher playing the guitar (in a playground outside the classroom). The learners played with cars and pet toys communicating with each other acting as the toy they had.
