Us ever more deeply into what we all already know within the very Heart Core of Us Answers... to the Difficult Questions
Dennis Waite,2020-03-27 All spiritual seekers encounter problems A question arises which appears to challenge the veracity of their chosen path If an answer is not found quickly there is a great danger that the particular teaching will be abandoned and another sought Dennis Waite draws on traditional Advaita teachings to answer all seeker related questions He first invited questions to his website in 2005 and this book collects questions and answers in a comprehensive volume for experienced and new spiritual seekers One answer often leads to a new worry and his website adavaita vision org continues to accept questions No question is too difficult for Advaita Vedanta and all answers are reasonable Only That Kalyani Lawry,2010-11-01 Through John Wheeler and other influential teachers and through his two books of dialogues Sailor Bob Adamson has become a familiar name to those interested in non dual spirituality With assistance from friends and family and from Bob himself Kalyani Lawry has compiled an absorbing account of his life illustrated with photographs from Bob s personal collection The second part of Only That consists of dialogues which have an immediacy that is closer than your breathing nearer than your hands and feet and a depth that reflects Bob s life experience while pointing clearly to the ultimate reality Thou art That **Love Outpouring** Scott Flynn,2024-09-27 Ego shaves the vibrancy edges off of life dulling life s inherent wonder dampening one s love of humanity while concurrently dimming the beauty of the world Self reinstates life s vibrant glory as Self consciousness re recognizes its love for its own creation and in doing so falls deeper and deeper back in love with itSelf ever more enhancing the vibrancy of the mystery of life Knowing the difference between who you are and what you have mistaken yourself to be eliminates the ever fluctuating life fragmenting ego leaving only a permanent aware presence that re illuminates the vibrant wholeness of life that has always been all to re establish the eternal wondrous awe that has not been witnessed since childhood Love Outpouring is a gracious invitation from yourSelf to yourSelf to expose the ever present happiness that is already inherent within You so that you may experience directly again the perplexing awe of life You have written yourSelf this book for the purpose of giving yourSelf the permission to fall back in love with yourSelf and allow yourSelf to unavoidably shine your love light upon the world as brightly as possible the greatest gift you or anyone can share with humanity *The Gospel of Thomas* Robert Wolfe,2010-11-11 If Jesus like the Buddha and the ancient Indian Vedas before him taught the radical oneness of all things an unorthodox singularity between self and the divine where is the record of such pronouncements by Jesus It s not in the New Testament In 1945 a discovery in an Egyptian desert may have revealed such a document The Gospel of Thomas *Apotheosis Now* Yanhao Huang,2021-04-13 Many of us are starting to become tired of this game of life We have been comparing and striving all our life But no matter how much success we have achieved we are still hollow and still have found nothing fulfilling We don t even know if happiness exists because it is no longer a living thing in our experience it has become dead as we only know it as a concept or memory We have sought self help advice philosophies and religious teachings to transform ourselves but have not gotten anywhere We have made some

superficial improvements like adopting a new mindset but our core remains the same We are still competitive still fearful and we get disturbed all the time The problem with all attempts at self improvement is that we do not address the fundamental problem which is who is the you who needs to be improved We do not see that the one who is making the improvement is the same one who needs to be improved The more we try to improve the more conflict we introduce within and without The more knowledge we stuff in our heads the more we become trapped in a conceptual prison of reality Inevitably the more confused we get in life The book guides the reader out of their distorted beliefs to experience reality beyond the mind When the deeper intelligence is allowed to flourish without our mind's interference then the game of life becomes effortless **Living Space**

Paul Holman, 2018-12-14 Discussing the idea with reference to accounts of awakening in esoteric literature as well as contemporary psychological methods **Living Space** Openness and Freedom through Spatial Awareness proposes that a common denominator in both physical and emotional healing is the creation of more perceptual and conscious space and that an easier and more spacious awareness can be achieved by relatively simple changes to the way we pay attention These ideas have implications for the way we balance body mind and spirit **Dancing with the Void** Betty Camhi, Gurubaksh
