Essentials of Personal Financial Planning Susan M. Tillery, Thomas N. Tillery, 2018-09-21

ESSENTIALS OF PERSONAL FINANCIAL PLANNING Essentials of Personal Financial Planning was written to challenge the status quo by promoting personal financial planning (PFP) as a profession, not as a sales tool to gather assets under management or facilitate sales of insurance products. The book takes a comprehensive and integrated approach to PFP for accounting students, allowing them to view the profession through the lens of a CPA with integrity and objectivity. This book systematically introduces the essentials of all the major PFP topics: estate, retirement, investments, insurance, and tax, as well as the PFP process, concepts, and regulatory environment. Professional responsibilities of a CPA, personal financial planner, and the requirements of the Statement on Standards in PFP Services. Time value of money concepts. The book then builds on these foundational concepts, showing their interconnectivity and professional opportunities to provide a deeper understanding of PFP and its application. After reading this book, students will be able to apply the knowledge and skills gained from this course to have an immediate and long-term positive impact for themselves and for the clients they serve.

Mastering Money in Your 20s and Beyond Hayley Brickell, 2024-03-01

Transform Your Financial Future: The Essential Guide for Young Adults Imagine embarking on a journey that not only secures your financial freedom but empowers you to make informed decisions that resonate with your aspirations and life goals. Mastering Money in Your 20s and Beyond is the compass you need to navigate the complex world of finances, turning daunting challenges into milestones of success. In a world where financial literacy is often overlooked, this book stands as a beacon of knowledge and practical wisdom. From dissecting the psychology of spending to unraveling the mysteries of the stock market, Mastering Money equips you with the tools to build a solid financial foundation. Whether you're crafting your first budget, dabbling in investments, or planning for retirement, each page is packed with actionable strategies tailored to guide you through every stage of your financial journey. Why wait to address your finances until you're bogged down with debts or financial uncertainties? Early chapters invite you to scrutinize your money mindset, laying the groundwork for lifelong financial fitness. As you progress, you'll learn not only to manage debts and navigate taxes but also to make strategic choices about insurance, real estate, and higher education financing. The guide doesn't stop at personal finance; it also ventures into entrepreneurship, the gig economy, and even international finance, ensuring you're prepared for whatever path you choose. Beyond mere management, this book inspires you to dream bigger. Investing in your 20s isn't just about stocks and bonds; it's about investing in your future. With special attention to social responsibility, financial philanthropy, and stress management, Mastering Money acknowledges that true wealth extends beyond the balance sheet, encompassing the well-being of your community and yourself. Don't let another day pass in uncertainty. Open the door to a life where financial

worries are a thing of the past and confidence in your financial decisions leads to a fulfilling stress free future It s time to take control starting with Mastering Money in Your 20s and Beyond Your journey to financial fitness begins here
