**The Great Book** Stanley Morris, 2011-07-28 The Great Book is a fresh new translation of the Word of God It reads

so smoothly that it doesn't even seem to be a translation though it is painstakingly accurate according to the best Greek manuscripts. The true meaning that God intended comes through loud and clear in plain English. Because The Great Book communicates so well it can be used effectively in many ways: For teaching kids of all ages especially teenagers. For teaching English to non-native speakers. For those who have never read the Bible before. For prison ministries. For evangelistic outreaches in America. For missionary distribution programs around the world. The Great Book is written at a 5th grade reading level in order to reach the greatest number of people in the world. The original Greek New Testament was Koine common Greek. Let's face it we could all use a little help with the most difficult New Testament books such as Romans Galatians Hebrews and Revelation.
