

Dear Katie,

I was informed by a colleague of mine to visit this site and read this particular thread about National Health Educators. Although it seems like a healthy debate, there are some inflammatory remarks that seem a bit beyond your normal conversation. I read your "closing arguments" and I think you may have misunderstood why many NHE trainers are upset. Many of us have been instructed where and how to discredit you and your site and I'll send the email when I get home. It isn't the comments that have people so pissed off, it's the fact that you are using the NHE name to draw customers to this site to sell your products. So basically you are making money at the cost of the NHE trainers. Many of the trainers at my clinic are NHE certified and many of them are going to act on the email. Thought you should know as it seems you are trying to help inspiring trainers get into the field.
