Promoting Reflection on Language Learning Neil Curry, Phoebe Lyon, Jo Mynard, 2023-09-12 This book brings together a wide range of studies practical applications and reflective accounts written by academics working at a university in Japan to

present a cohesive overview of their collaborative efforts to promote learner reflection within their institution The book contributes to a shift in language education towards promoting learner responsibility and ownership of their learning through developing a deeper sense of awareness of and motivation for the learning process It makes a convincing case for showing that not only is promoting reflection possible but it can also be effectively integrated into language learning activities with significant benefits to the learners The chapters are highly practical for researchers and practitioners with the research chapters containing instruments which make them ideal for replication studies The text includes a wealth of practical tools and activities for practitioners who will be able to experience first hand how to facilitate student success and increase satisfaction A Student's Guide to Therapeutic Counselling Kelly Budd, Traci Postings, Heather Price, 2025-04-26

This highly practical book published in partnership with CPCAB is a comprehensive training guide for learners on diploma practitioner courses at Level 4 and above Based around CPCAB's seven core processes of practitioner development it introduces core curriculum topics including knowledge skills and practice issues It provides learners with essential support through study tips and answers to their most commonly asked questions **Building Resilience Through Contemplative Practice** Bobbi Patterson, 2019-09-06

Recasting burnout as a crucial phase of service Building Resilience Through Contemplative Practice uses real world case studies to teach professionals and volunteers unique skills for cultivating resilience Viewing service and burnout as interdependent throughout phases of stability collapse reorganization and exploitation the book uniquely combines elements of adaptive resilience theory with contemplative practices and pedagogies Drawing on the author's extensive experience working at the intersection of service and contemplative practices this is the first book to demonstrate how and why professionals and volunteers can reframe burnout as an opportunity for resilience building service User friendly case studies provide tools skills and exercises for reconstructive next steps Chapters address personal group and structural levels of service and burnout Illuminating the link between adaptive resilience and burnout as a normal and useful phase of service Building Resilience Through Contemplative Practice is a necessary resource for professionals and volunteers across a wide range of service settings **Technical Association Papers** Technical
