

The background is a dark, deep blue space scene. In the upper right, a bright, glowing red and orange planet or star is partially visible, surrounded by a soft, hazy atmosphere. A small, grey satellite with two solar panels is positioned in the center of the frame, appearing to orbit a large, translucent, blue-tinted globe that occupies the right side of the image. The globe has a grid of white lines representing latitude and longitude. The overall composition suggests a global or satellite-based theme.
