Runner Sam Dryden:

Runner Patrick Lee, 2014-02-18 Sam Dryden retired special forces lives a quiet life in a small town on the coast of Southern California While out on a run in the middle of the night a young girl runs into him on the seaside boardwalk Barefoot and terrified she s running from a group of heavily armed men with one clear goal to kill the fleeing child After Dryden helps her evade her pursuers he learns that the eleven year old for as long as she can remember has been kept in a secret prison by forces within the government But she doesn t know much beyond her own name Rachel She only remembers the past two months of her life and that she has a skill that makes her very dangerous to these men and the hidden men in charge Dryden who lost his wife and young daughter in an accident five years ago agrees to help her try to unravel her own past and make sense of it to protect her from the people who are moving heaven and earth to find them both Although Dryden is only one man he s a man with the extraordinary skills and experience as a Ranger a Delta and five years doing off the book black ops with an elite team But as he slowly begins to discover the highly trained paramilitary forces on their heels is the only part of the danger they must face Will Rachel s own unremembered past be the most deadly of them all **Dark**

Site Patrick Lee, 2019-05-28 From the author of Runner Sam Dryden comes under attack from unknown forces as an unremembered episode from his past threatens more than just his life On an otherwise normal morning former Special Forces operative Sam Dryden is the target of an unsuccessful attempted abduction Using his attacker s cellphone he learns that another person a woman named Danica Ellis is also being targeted Dryden arrives just in time to save Danica from the assault team sent after her But neither of them recognize the other or have any idea why they are being targeted The only clue is a heavily redacted official looking document given to Danica by her stepfather before he was killed Dryden immediately recognizes it as a scrub file A scrub file is a record of what a subject knew before their memories were chemically destroyed The redacted document refers to witnesses to a secret military site in Ashland Iowa in 1989 Both Dryden and Danica Ellis lived in Ashland in 1989 when they were both twelve years old though neither of them has any memory of the other Switching back and forth between the present day when Dryden and Danica try to elude the forces that are after them and the past in Ashland Iowa when both were twelve making a discovery that forever changed their lives this latest Sam Dryden novel proves yet again that Patrick Lee is one of the most original compelling thriller writers today
