Using PWP Teaching Mode to Improve the Effectiveness of High School English Reading—Take the People's Education Press 3 Unit 1 Festivals and Celebrations as an Example

Zemei Wang

School of Foreign Languages, Northwest Normal University, China.

Abstract

Reading is an important way for senior high school students to get information. Reading ability is one of the necessary abilities for students in English learning. At present, PWP reading teaching mode (Pre-reading, While-reading, Post-reading), which is widely used in English teaching, is to determine the objectives and tasks according to the teaching content of reading class, with pre-reading activities, while reading activities and post-reading activities are used to teach reading. This paper makes an effective analysis of the PWP three-stage English reading teaching model, uses the PWP teaching model to design reading class teaching, designs certain teaching activities before reading, during reading and after reading, and provides suggestions on how to design English PWP reading teaching in senior high school efficiently. Furthermore, it discusses how to use PWP teaching mode to improve the effectiveness of English reading in senior high school.

Keywords

PWP teaching mode, English reading, Teaching design

1. Introduction

According to the requirements of the new curriculum standard of the Ministry of Education, the English course of senior high school should emphasize the further development of students' comprehensive language use, and focus on improving students' ability to obtain information, pay special attention to improving students' ability to think and express in English. The new teaching concept advocates that highschool English teaching should emphasize the student-centered and activity-based teaching mode. However, at present, there is a certain gap between English reading teaching in senior highschools and the requirements of the new curriculum standards, and there is a lack of training students' comprehensive language use ability. First of all, teachers put too much emphasis on the teaching mode of words, sentence patterns and grammar in English reading teaching, taking language knowledge learning as the main line of

web 1 sequences 1.1 sequences an infinite sequence of real numbers is an ordered unending list of real numbers e.g. 1 2 3 4 we represent a generic sequence as $a_1 a_2 a_3 \dots a_n$ and its n th term a_n in order to define a sequence we must give enough information to find its n th term two ways of doing this are 1 with a formula e.g. $a_n = 1$
