**Research in Education**, 1974

**Writing as a Personal Product** Laura Donahue Latulippe, 1992 This friendly guide helps non native English speakers overcome some of the barriers they face learning to use English for various academic writing tasks Written from a student centered approach the handbook comes complete with checklists for editing and lists of errors to avoid when writing Freshman English essays essay exam answers or term papers A vital reference for

non native English speakers wishing to strengthen their writing skills

**Writing and Power** Candace Mitchell, 2015-12-03

This book offers a much needed alternative to the more traditional texts used to teach writing instruction Grounded in history the book clarifies changing theoretical and practical approaches to teaching writing critically assessing each approach in relation to the social and political movements of the day both within and beyond the university The author takes us inside the real world of writing instruction not only from the viewpoint of instructor but as seen through the eyes of students struggling to make sense of the expectations of writing class Mitchell emphasizes that writing entails far more than putting words to paper and delves into contextually variable culturally defined expectations that include multiple linguistic forms both oral and written highlighting the complexity of writing s while engaging the reader in lively academic debates about language and society

*Putting the Local in Global Education* Neal W. Sobania, 2023-07-03 The position taken in this volume is that domestic off campus study can be just as powerful a transformative learning experience as study overseas and that domestic programs can equally expand students horizons their knowledge of global issues and processes their familiarity and experience with cultural diversity their intercultural skills and sense of citizenship This book presents both the rationale for and examples of study away an inclusive concept that embraces study abroad while advocating for a wide variety of domestic study programs including community based education programs that employ academic service learning and internships With the growing diversification regionally demographically culturally and socio economically of developed economies such as the US the local is potentially a doorstep to the planet and presents opportunities for global learning Moreover study away programs can address many of the problematic issues associated with study abroad such as access finance participation health and safety and faculty support Between lower costs the potential to increase the participation of student cohorts typically under represented in study abroad the lowering of language barriers and the engagement of faculty whose disciplines focus on domestic issues study at home can greatly expand the reach of global learning The book is organized in five sections the first providing a framework and the rationale for domestic study way programs addressing administrative support for domestic vs study abroad programs exploring program goals organization structure assessment and continuous improvement and considering the distinct pedagogies of experiential and transformative education The second section focuses on Semester Long Faculty Led Programs featuring examples of programs located in a wide variety of locations from investigations into history immigration culture and the environment through localities in the West and the Lowcountry to exploring globalization in L A and New York Section three highlights five Short Term Faculty Led Programs While each includes an intensive immersive study away experience two illustrate how a 7 10 day study away experience can be effectively embedded into a regular course taught on campus The fourth section on Consortium Programs describes programs that are either sponsored by a college that makes its program available to consortium members and non members or is offered by an independent non for profit to which institutions send their students The final section on Community

Engagement and Domestic Study Away addresses the place of community based education in global learning and provides examples of academic programs that employ service learning as a tool for collaborative learning focusing on issues of pedagogy faculty development and the building long term reciprocal relationship with community partners to co create knowledge The book is intended for study abroad professionals multicultural educators student affairs professionals alternative spring break directors and higher education administrators concerned about affordably expanding global education opportunities
