

Amazing Ways to Move!

Adaptive Equipment Activities for students in K - Grade 3

I Can, Too!

Written by Karen Aulisio • Illustrated by Laura Watson

ISBN 978-1-4452-9008-8 • For ages 5-7

Activities created by Ellen Husland, retired elementary school teacher and author of the award-winning Sophie Trophy Books, and Karen Aulisio, author of *I Can, Too!* and other books for young readers.

The adaptive equipment featured in *I Can, Too!* and explained in the back of the book helps people stand or get around if they're not able to walk or cannot walk far. This backmatter also explains how adaptive equipment can help people stand or get around if they have mobility issues. Other names for these tools are mobility aids and assistive devices.

Inclusive design allows everyone to participate! Be as inclusive as possible in your classroom. For example, if creating an audio or video recording is more accessible than writing or drawing, a student may choose that option.

Here are class activities to accompany your reading of *I Can, Too!*

Connections

Show 3 to 5 scenes from *I Can, Too!*

Ask: Do you use adaptive equipment or know anyone who does? Share about using one piece of equipment, or share about someone you know or someone on TV using one piece of equipment.

Say: Always ask permission before touching anyone's wheelchair or other adaptive equipment.

Activity: Invite children to choose one type of adaptive equipment and draw it being used.

Anti-tippers on Wheelchair

Show Kayla using her wheelchair on the title page of *I Can, Too!* and point to the anti-tippers — the small wheels at the back.

Ask: What do you think these are used for?

(To prevent tipping backwards when popping a wheelie to get over a curb or when wheeling uphill or up a ramp.)

Hint: They are called anti-tippers.

Sit-Skiing

Show Kayla using the sit-ski on page 7 of *I Can, Too!*

Ask: How many of you have skied, sit-skied, or seen someone sit-skiing before?

Ask: How is it done? What is the adult doing in the illustration?

(Possible prompts: helping steer, keeping the sit-ski balanced and skiing at a safe speed.)

Say: When Kayla can steer, balance and sit-ski safely, she won't need the adult anymore.

Ask: What makes skiing fun?

(Possible prompts: excitement of moving quickly; feeling the rush of air on your face; skiing down slopes; joining in winter sports with family and friends.)

Scholastic Discussion Guides Introduction

In today's digital age, the availability of Scholastic Discussion Guides books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Scholastic Discussion Guides books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Scholastic Discussion Guides books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Scholastic Discussion Guides versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Scholastic Discussion Guides books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Scholastic Discussion Guides books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Scholastic Discussion Guides books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Scholastic Discussion Guides books and manuals for download have

transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Scholastic Discussion Guides books and manuals for download and embark on your journey of knowledge?

FAQs About Scholastic Discussion Guides Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Scholastic Discussion Guides is one of the best book in our library for free trial. We provide copy of Scholastic Discussion Guides in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Scholastic Discussion Guides. Where to download Scholastic Discussion Guides online for free? Are you looking for Scholastic Discussion Guides PDF? This is definitely going to save you time and cash in something you should think about.
