Dear Teacher,

We continuously seek to re-imagine and create new ways to get our children excited about learning mathematics. That's why we've created a new series of books—where math gets real. In *Where Math Gets Real*, we bring to life math concepts and your students will understand it in a new, meaningful, relevant way. There's personal, cultural, and even super math. Different languages, and more!

We hope you'll take advantage of the many online resources available to go along with each book. We have videos, skills sheets, games, and more. Just visit your online math center anytime after you've read the book to you. Making you happy is part of the school year!

Thank you,
The MATH Editors
