School lunches, they already suck, so they might as well be healthy. Changing the lunch program, no matter how much grumbling may occur, is a long term solution for childhood obesity. Unhealthy but tasty lunches provide only short term satisfaction, and even though students may complain about rancid [lunch](#) foods, it does not affect the entire day.

The United States is the fattest country in the world, and having fatty, sugary lunches is not helping. The reason nothing has changed for a long time is that most people do not care. The number of adults who could not care less what their child eats greatly outnumbers the number who want their children to be healthy and strong. A healthy approach at lunches may be more expensive, but will have
