

## Science Focus 9 - Biological Diversity Review ANSWERS

### Topic 1 - Biological Diversity and Survival

1. What does the term **biological diversity** refer to? *It refers to the number and variety of organisms found within a specified geographic region*
2. What is the difference between **abiotic** and **biotic**? *\*\* Please refer to your notes and/or textbook for this answer*
3. Explain the difference between **structural** and **behavioral adaptations** with examples of each.  
*Structural adaptations refer to a physical structure that allows the organism a better chance of survival. Example: Spikes, scales, fur, etc.*  
*Behavioral adaptations refer to a behavior that allows the organism a better chance of survival. Example: Migration, hibernation, etc.*
4. What is the value of **variation**? *Variation is the key to genetic diversity which helps contribute to the survival of living things by producing populations that have a lot of variation.*
5. Example: *If there was a particularly long cold winter, perhaps only those grizzlies with especially thick coats would survive the winter, but those with thinner coats might not. So the grizzly population's variation (genetic diversity) would allow at least some of the individuals of the grizzly population to survive changing environmental conditions.*
6. Explain the arrangement of species. (**Individual, Population, Community, Ecosystem**) *\*\* Please refer to your notes and/or textbook for this answer*
7. Explain the difference between **variation in a species** and **variation between species**. *Variability in a species describes the differences among various individuals of the same species (i.e. Freckles, brown hair, birth marks). Variability between species describes the differences between individuals of different species (i.e. Lions vs. Horses).*
8. What is the **7 Level Classification System** used by scientists? (name each of the 7 levels) *\*\* Please refer to your notes and/or textbook for this answer*
9. What makes a "species" unique? *The ability to reproduce only with other members of that same species; sharing similar appearances/traits.*
10. What is **Speciation**? *\*\* Please refer to your notes and/or textbook for this answer*

### Topic 2 - Habitat and Lifestyle

1. Explain what is included in an organism's **niche**. *\*\* Please refer to your notes and/or textbook for this answer*
2. Why is there little diversity and larger populations in Northern Canada, and high diversity with smaller populations in Central and South America? *\*\* Please refer to your notes and/or textbook for this answer*

### **Science Focus 9 Review Answers Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Science Focus 9 Review Answers has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Science Focus 9 Review Answers has opened up a world of possibilities. Downloading Science Focus 9 Review Answers provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Science Focus 9 Review Answers has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Science Focus 9 Review Answers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Science Focus 9 Review Answers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Science Focus 9 Review Answers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Science Focus 9

Review Answers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
