The Pink Flamingo Murders Elaine Viets, 2009-12-16 Whacked with a lawn flamingo A reporter wants to know who killed with kitsch The rehabilitation of North Dakota Place is a feel good story the kind St Louis City Gazette columnist Francesca Vierling likes to write Grand houses restored to former glory Pride in a neighborhood and like all good stories this one has a hero the woman who made it all happen the city's guardian of good taste Some call her a rehabbing saint others a fanatic The first death on North Dakota Place was certainly shocking but not entirely unwelcome after all the victim was a cranky old man who had been painting his house purple The second death of a drug dealer brings tacit approval and growing suspicion But all bets are off when another victim is found a socialite unceremoniously whacked with a pink lawn flamingo Now the

neighbors want Francesca to investigate But her boyfriend wants her to commit to marriage not crime Soon the gutsy reporter is experiencing a deepening personal crisis and something more heinous than vinyl siding the dark secrets of heart home and blighted dreams From the Paperback edition *Michigan Farmer and Livestock Journal* ,1925 *Messenger and Visitor* ,1908 **Food Network Best of the Best of** Jill Cordes,Marc Silverstein,2004 Part travelogue part recipe collection part scavenger hunt part confessional Food Network Best of The Best Of takes you behind the scenes to discover why a drugstore in the middle of South Dakota sells three thousand donuts a day which chocolate is so decadent that it will boost your libido or where to find the finest matzo ball soup in Iowa You ll savor the flavors and share in the fun as Jill and Marc recount the trials and triumphs of some of the country s most intriguing restaurateurs and food entrepreneurs Whether it s a Cordon Bleu trained chef amidst the slot machines of Las Vegas or the ranch wife who found success with an eatery in a one horse town this book showcases the breadth and variety of eating in America that is the hallmark of The Best Of Our choices for what we feature on The Best Of show are if nothing else subjective Sure the food has to be good But it s more than just the food Every place has a story And like any good story we look for something unique that distinguishes each place whether it s the setting the characters the history or the lore You may not find the usual top rated five star restaurants here but if you ve taken a wrong turn somewhere in the middle of Montana we ll guide you to the best steaks in the state or if you re looking for breakfast amidst the red rocks of Sedona Arizona we know where you can find the widest choice of omelets in the country And even if you don t step outside your front door you can still enjoy the best of everything without a reservation because we ve included recipes from many of the chefs we ve met during our journeys Travel safe Eat well Book jacket
