Easiest Guide to Bible Study Manny Piedad Mullaneda, 2021-02-01 Of all the books ever written none contains lessons so instructive precepts so pure or promises so great as the Bible There is nothing that so convinces the mind of the inspiration of the Bible as does the reading of the Bible itself As guide the Bible is without a rival It gives a calm peace in believing and a firm hope of the future It solves the great problems of life and destiny and inspires to a life of purity patience and well doing It fills the heart with love for God and a desire to do good to others and thus prepares one for usefulness here and for the home in heaven It teaches the value of the soul by revealing the price that has been paid to redeem it It makes known the only antidote for sin and presents the only perfect code of morals ever given It tells of the future and the preparation necessary to meet it It makes us bold for the right and sustains the soul in adversity and affliction It lights up the dark valley of death and points to a life unending The Bible was written by thirty five or forty men over a period of some fifteen hundred years The books are called word of God or the scriptures Luke 8 21 Matthew 21 42 Bible Study Made Easy consists of questions asked concerning some subjects and answers to them from the Bible It s a topical study of the Bible which will be found an excellent aid to private family and public study **The Visual Bible Study Guide Volume 1** Jay A.

disturbing today than when you read them as a kid Then Jesus appears and while it s amazing to read about his birth and teachings and wisdom and miracles it can cause you to wonder why he had to die for you The final pages of the Bible are even more perplexing Suddenly you re reading about visions and beasts and the very end of the world Perhaps this is why many of us find it easier to go to church and just listen to the pastor preach a sermon on the good book rather than tackle it ourselves But if we do this we miss out on so much God has given us the Bible as a how to guide for making the most out of life The Bible should be our lifeline We need to study it as much as we need to breathe This is where The Bible Simplified can help Over the course of eight weeks bestselling author Zach Windahl will show you how all the stories in the Bible tell an interwoven story of God using people to bring his kingdom to the world You will dig into historical context learn about the different genres in the Bible and why they are important and discover proven methods of studying the Bible that will help you not only better understand what it means but also how it can transform your life and deepen your relationship with Christ God is calling you today to follow him And he wants to speak to you through the Bible This study guide includes A guide to best practices for leading a group Individual access to eight streaming video sessions Personal study for deeper reflection between sessions Video notes and comprehensive structure for group discussion time Streaming video access code included Access code subject to expiration after 12 31 2030 Code may be redeemed only by the recipient of this package Code may not be transferred or sold separately from this package Internet connection required Void where prohibited taxed or restricted by law Additional offer details inside
