Dependence to Independence André J. Olivan Sr, 2011-12-05 If you're leaving home for the first time just striking out on your own there are a few things you need to know to be successful You must have a basic understanding of how to maneuver in today's complex social and economic society and that isn't something you can pick up in the traditional education system Instead of learning the hard way place yourself on the pathway to success with a guidebook that outlines basic life skills in fifteen short and simple chapters You will find meaningful information that will help you remain independent including how to make the right decisions write a resume that will get you a professional job buy a vehicle at a reasonable price get your own place and live on a budget Don't just rely on what you were taught in high school as you begin a journey that's completely your own Take a practical approach to life's greatest obstacles to ensure you live the life you want as soon as possible Get the guidance you need as you move from Dependence to Independence
