Person-Centred Therapy in Focus Paul Wilkins, 2002-12-13 Person Centred Therapy in Focus provides a much needed exploration of the criticisms levelled against one of the most widespread forms of therapeutic practice Characterized by its critics as theoretically light culturally biased and limited in application until now the person centred approach has had comparatively little written in its defence Paul Wilkins provides a rigorous and systematic response to the critics drawing not only on the work of Carl Rogers but also of those central to more recent developments in theory and practice including Goff Barrett Lennard Dave Mearns Jerold Bozarth Germain Leitauer and Brian Thorne It traces the epistemological foundations of person centred therapy and places the approach in its social and political context Examining the central tenets of the approach each chapter sets out concisely the criticisms and then counters these with arguments from the person centred perspective Chapters cover debates in relation to the model of the person self actualization the core conditions non directivity resistance to psychopathology reflection and boundary issues Person Centred Therapy in Focus fulfills two important purposes firstly to answer the criticisms of those who have attacked the person centred approach and secondly to cultivate a greater critical awareness and understanding within the approach itself As such it makes a significant contribution to the person centred literature and provides an excellent resource for use in training **Person-Centred**

Counselling Psychology Ewan Gillon, 2007-06-18 Not only is this the first key text on person centred counselling psychology but one of the best introductions to the approach Gillon combines an in depth understanding of the person centred field with a highly accessible writing style to produce a book that will be of enormous value to anyone wanting to practice person centred therapy Essential reading for trainee and practising counselling psychologists with an interest in the person centred approach and highly recommended for counsellors and psychotherapists of all orientations Mick Cooper Professor of Counselling Counselling Unit University of Strathclyde Person Centred Counselling Psychology An Introduction is an introduction to the philosophy theory and practice of the person centred approach Focusing on the psychological underpinnings of the approach Ewan Gillon describes the theory of personality on which it is based and the nature of the therapeutic which is characterised by o unconditional positive regard o empathy o congruence The book shows how the

person centred approach relates to others within counselling psychology and to contemporary practices in mental health generally. It also gives guidance to readers on the approach's research tradition as well as considering key issues for those wishing to train and work as a person centred practitioner. As such it is designed to be an applied accessible text providing a dialogue between the psychological basis of person centred therapy and its application within the real world. As well as psychology students it will be of interest to those from other disciplines, counselling trainees, those within the caring professions and person centred therapists from a non psychological background. Ewan Gillon is Director of The Edinburgh Psychology Centre and Lecturer in Counselling Psychology at Glasgow Caledonian University. *An Introduction to Counselling and Psychotherapy: Theory, Research, Practice and Social Purpose, 7th Edition* John McLeod, 2025-03-25. *An Introduction to Counselling and Psychotherapy* builds on the existing strengths of John McLeod's research and professional experience. This title provides a comprehensive introduction to the research and practice of counselling and psychotherapy and enables students to develop their confidence in deploying a range of therapeutic models. The Past in the Present David Mann,Valerie Cunningham,2008-07-21 The Past in the Present brings together for the first time contemporary ideas from both the psychoanalytic and humanistic therapy traditions looking at how trauma and enactments affect therapeutic practice Enactments are often experienced as a crisis in therapy and are understood as symbolic interactions between the client and therapist where personal issues of both parties become unconsciously entwined This is arguably especially true if the client has undergone some form of trauma This trauma becomes enacted in the therapy and becomes a turning point that significantly influences the course of therapy sometimes with creative or even destructive effect Using a wealth of clinical

material throughout the contributors show how therapists from different therapeutic orientations are thinking about and working with enactments in therapy how trauma enactment can affect the therapeutic relationship and how both therapist and client can use it to positive effect The Past in the Present will be invaluable to practitioners and students of analytic and humanistic psychotherapy psychoanalysis analytic psychology and counselling
