

Scholarship Personal Statement Example

My parents had never envisioned any their children going to college. As young parents who had to support seven children, their goal was just to raise us to become strong, independent adults capable of fending for ourselves. As the youngest, I was the least expected to succeed. Several of my brothers had already had brushes with the law, and it was fully expected that I would continue in their path. However, the day I learned that one of them had been jailed for repeat offenses was the day I realized that this cycle had to stop. Maybe I couldn't stop it for society yet, but I could certainly stop it for myself. I am applying for the Walter Skinner Jr. Scholarship fund because I know that the power of education is one of the only forces strong enough to give me the tools I need to transcend the difficult environment I grew up in.

My goal is to become a teacher and mentor to young kids living in a similar situation, to show them that they can truly become anything they want. To be able to do so, first I will need to obtain a degree in education, and work hard to complete my training. Like many other children in our neighborhood, my brothers learned from example, and that example was easy money and sometimes crime. I believe strongly that constructive influences and a strong, positive example can emphasize to kids the importance of thinking long-term about what they want out of life and what they want to contribute to the world.

During my service work, I have come to realize how great the challenges are facing youth living in high-crime areas. I walked in on my first day expecting that they would welcome me, and welcome any help in turning their lives around. However, my first day at the Harry Walker Correctional Facility was a complete fiasco – not only were people not interested, they also chided me for my interest. Although I was frustrated and saddened by their rejection, I realized that I still had much to learn before I was ready to take on the role of mentor and teacher that I so desperately wanted. This scholarship will enable me to further my own education and develop more effective communication and teaching skills, so that when I return to the classroom, I will be able to touch and change lives.
