Plaisirs Au Casino:

La Quarantaine Jean Louis Curtis, 1999-01-19 This book is written in French Le mouvement du récit la justesse des personnages et des dialogues l'émotion des vies perdues la manière cruelle dont l'homme de quarante ans se voit exclu des fêtes de la jeunesse fait du roman l'une des plus perspicaces chroniques de la sensibilité contemporaine The movement of the story the accuracy of the characters and the dialogue the emotion of lost lives the cruel manner in which a forty year old man finds himself excluded from the celebrations of youth make this novel one of the most penetrating chronicles of modern sensitivity

Finding the Plot Loïc Artiago, Diana Holmes, David Platten, 2014-08-11 Plot writes Peter Brooks is so basic to our very experience of reading and indeed to our articulation of experience in general that criticism has often passed it over in silence Reading for the Plot xi Finding the Plot both explores and helps to redress this critical neglect The book brings together an international group of scholars to address the nature effects and specific pleasures of consuming stories If the central focus is on France and popular literary fiction the book's scope like contemporary fiction itself observes no national frontiers and extends across a variety of media The book addresses both the empirical question of which genres and types of text have been and are most popular and the theoretical questions of how plots work what pleasures they offer to readers and why it matters that the plot should not be lost
