16. **Easy** Students may point out that Becky loses hope of rescue and prepares to die, whereas Tom refuses to give up and continues to search for ways out of the cave. Both Tom and Becky are brave. Tom is an optimist, whereas Becky is a realist.

17. **Average** Students may point out that Jackson's Island is removed from the town and thus furnishes a perfect setting for the enactment of the boys' fantasies; the cemetery is gloomy and frightening and, thus, appropriate for the murder of Dr. Robinson; the cave is the hiding place of Injun Joe, and Tom and Becky become lost as they explore its passages; and Tom associates Aunt Polly's house with his rivalry with Sid, with reassurance from Mary, and with the alternating cycle of love and chastisement from Aunt Polly.

18. **Challenging** In general, students may point out that Twain satirizes overly solemn behavior in church, a punitive approach to education, and rigid social conformity. Evaluate students' essays on unity, coherence, and specific support from the text.
