

School Captain Speech

Good Afternoon, teachers and year 8 students of Marymount College. My name is Sara Petruzzella, I'm a student of 8 Amber and I would love to be your school captain for 2011. Through-out this speech you will learn a little bit more about my personality, my goals and aspirations, my leadership qualities and what would make me a good candidate for this position.

Firstly, I would like to start by explaining to you what this position means to me. The School Captain needs to be a respectful but also fun loving person, someone who can represent the school and its core values; Hospitality, Compassion, Stewardship and Reconciliation in a positive manner. To me the role of school captain is more than a badge or a fancy title but a chance to make a positive influence on the students even teachers and their time at Marymount College. I will be the first person to say that I'm not perfect but I do believe that this position is perfect for me.

Secondly, I would like to introduce you to my personality types. My 2 strongest personality types are Type 1: The Reformer and Type 2: the Helper. As these personality types I offer many great qualities to this position,

As a Type One I,

- Have a strong sense of what's right, which leads me to make good decisions.
- Always work towards an ideal, I always have a goal and believe that I can achieve it.
 - Am truthful and trustworthy, I can be trusted with great responsibility.
- Have strong values and morals, I stand for what I believe in and I don't let others influence me in a wrong way.
 - Always try to be the best person I can possibly be.

As a Type Two I,

- Put others before myself, I think about others and how my actions may influence them.
- Am very friendly, I am a very happy and bubbly person who gets along well with others.
- Am dedicated, in total this year I was involved in around 10 groups including, T.O.M, Enviro group council, Peer mentor and Vocal Ensemble, I've been a class captain and a house captain also.
