Hamilton Currey,2016-05-27 That which differentiated the Sea wolves from other pirates was the combination which they effected among themselves the manner in which these lawless men could subordinate themselves to the will of one whom they recognised as a great leader To obtain such recognition was no easy matter and the manner in which this was done by those who rose by sheer force of character to the summit of this remarkable hierarchy has here been set forth Notice This Book is published by Historical Books Limited www.publicdomain.org.uk as a Public Domain Book if you have any inquiries requests or need any help you can just send an email to publications@publicdomain.org.uk This book is found as a public domain and free book based on various online catalogs if you think there are any problems regard copyright issues please contact us immediately via DMCA publicdomain.org.uk **Sea-Wolves of the Mediterranean** Hamilton E. Hamilton Currey, 2017-06-25 There is in the deeds of men of action an interest which is never aroused by those persons of brains and capacity by whom the world is really ruled The statesman in his cabinet is the god within the machine it is he who directs the acts of nations it is he who moves the fleets and armies as if they were pieces on the chess board to him as a rule is the man of action subordinate obeying his behests Rule and governance are his power both in the abstract and the concrete Seldom in the history of the world do we come across the men who are at one and the same time statesmen and soldiers who taking their destiny in their own hands work it out to the appointed end thereof But as we stray in the by paths of history we meet with some who in their day have influenced not only the age in which they lived themselves but also the destinies of generations yet unborn It would seem incredible that mere pirates such as the Muslim corsairs of the Mediterranean could be included in this category and yet as their story is unfolded we shall see how the Sea wolves rose from the humblest beginnings to trouble the peace of Europe to found for themselves dynasties which endured Uruj Barbarossa Kheyr ed Din Barbarossa Dragut Reis and Occhiali or All Basha were men who in the sixteenth century did much to change the conditions of the times in which they lived it was the time of the Renaissance in Europe a period of splendour in all the arts and sciences These men added nothing to the knowledge of the civilised world as it then existed save and except in one particular which was as Kheyr ed Din explained to Soliman the Magnificent on a certain memorable occasion that he who rules on the sea will rule on the land also In the present day when all the nations and languages sit at the feet of Captain now Rear Admiral Mahan and acclaim his Sea Power series of books it is interesting to find that he was anticipated in the most practical fashion possible by a corsair of the sixteenth century *Sea-Wolves of the Mediterranean* E. Hamilton Currey, 2017-10-15 Excerpt from *Sea Wolves of the Mediterranean* The Grand Period of the Moslem Corsairs The quality which Napoleon is said to have ascribed to the British Infantry of never knowing when they were beaten seems to have also characterised the Sea wolves as witness the marvellous recuperation of Kheyr ed Din Bar About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the
