Insights from Emergent Education Systems in Selected Countries Jose A. Fadul,2011

Universal Secondary Education in India Jandhyala B. G. Tilak,2020-07-24 This book offers a cutting edge

contribution on the importance of secondary education and assesses the strengths and weaknesses of its growth in India. Secondary education long neglected faces countless challenges and will require tremendous financial resources: millions of additional trained teachers and vast infrastructure in terms of buildings, laboratories, libraries, ICT facilities etc. The book examines these critical issues with particular reference to the situation in India. It analyses the status quo of secondary education and discusses the strategies and approaches needed in order to universalize it. Including 20 chapters authored by eminent scholars in the field and from across the country, this book gathers the outcomes of a seminar organized by the Council for Social Development on Universalization of Secondary Education. The target audience includes policymakers, practitioners, administrators, education planners, researchers, teachers and teacher educators with an interest in the future of secondary education.

EASYUNI Ultimate University Guide 2013. easyuni Sdn Bhd, 2013-11-11. Taking a decision about your future is not very simple; it requires intensive research and some strong decision-making skills. Am I choosing the right course? Will I get a job after I graduate? Should I do what I love doing? Will I be able to manage my budgets? These questions are always relevant to students who are planning to pursue their higher education, and easyuni's guidebook is an attempt to answer a few of these questions. This guidebook is another step forward to improve the entire experience of university selection and application. The guidebook is an attempt to answer questions of millions of students who are eligible for enrollment in higher education institutes in 2013/2014. The guidebook consists of 80 pages of educational content, including articles on studying abroad, choosing and applying for universities, what to study, and scholarships/loans, among others. The articles also focus heavily on the seven most popular subjects: namely, Engineering, Medicine, Information Technology, Science, Arts, and Creative Design, and Business and Accounting.

Classroom Talk. Debbie G. E. Ho, 2007. The author attempts to answer the question of why ESL classroom talk is the way it is. Basing her answer on a case study of a school in an ESL community, she argues that classroom talk may be linked in important ways to an operative sociocultural structure of ESL pedagogy over and above the classroom at the institutional level.
