May God Have Mercy John C. Tucker,1998-08-10 In some states by law in others by tradition judges imposing a sentence of death complete the grim ritual with the words May God have mercy on your soul In 1982 in Grundy Virginia a young miner named Roger Coleman was sentenced to death for the murder of his sister in law Ten years later the sentence was carried out despite the extraordinary efforts of Kitty Behan a brilliant and dedicated young lawyer who devoted two years of her life to gathering evidence of Coleman s innocence evidence so compelling that media around the world came to question the verdict The courts ruling on technicalities refused to hear the new evidence and witnesses Finally the governor of Virginia ordered a lie detector test to be administered on the morning of Coleman s scheduled execution and in a chair that to Coleman surely looked like nothing so much as an electric chair In John Tucker s telling this story is an emotional and unforgettable roller coaster ride from the awful night of the crime to the equally awful night of the execution Perhaps it was not Roger Coleman whose soul was in need of God s mercy but the judges prosecutors and politicians who procured his death
