Education Standards This completely new guide follows on the success of Resources for Teaching Elementary School Science  
the first in the NSRC series of annotated guides to hands on inquiry centered curriculum materials and other resources for  
science teachers The curriculum materials in the new guide are grouped in five chapters by scientific area Physical Science  
Life Science Environmental Science Earth and Space Science and Multidisciplinary and Applied Science They are also  
grouped by type core materials supplementary units and science activity books Each annotation of curriculum material  
includes a recommended grade level a description of the activities involved and of what students can be expected to learn a  
list of accompanying materials a reading level and ordering information The curriculum materials included in this book were  
selected by panels of teachers and scientists using evaluation criteria developed for the guide The criteria reflect and  
incorporate goals and principles of the National Science Education Standards The annotations designate the specific content  
standards on which these curriculum pieces focus In addition to the curriculum chapters the guide contains six chapters of  
diverse resources that are directly relevant to middle school science Among these is a chapter on educational software and

multimedia programs chapters on books about science and teaching directories and guides to science trade books and periodicals for teachers and students Another section features institutional resources One chapter lists about 600 science centers museums and zoos where teachers can take middle school students for interactive science experiences Another chapter describes nearly 140 professional associations and U S government agencies that offer resources and assistance Authoritative extensive and thoroughly indexed and the only guide of its kind *Resources for Teaching Middle School Science* will be the most used book on the shelf for science teachers school administrators teacher trainers science curriculum specialists advocates of hands on science teaching and concerned parents *The Virginia Teacher* ,1921 Circular ,1922 Subject Guide to Books in Print ,1993 *Yearbook of the National Society for the Study of Educational Sociology* ,1928 **The Teaching of Science in Normal Schools and Teachers Colleges** Alice Maria Van de Voort,1928
