Orig.-report, All Police, City Council, City Mgr.

LOCATION 300 block of South Airport Boulevard, SSF

TYPE OF INCIDENT Attempted Robbery, Resisting Arrest (Suspect in custody)

SUMMARY OF CRIME INCIDENT (If no arrest, include suspect info.) Information need not be released that: (1) would endanger the safety of a witness or other person; (2) would hamper successful completion of the investigation or related investigation; (3) is an analysis or conclusion of the investigating officer. The name and address of a victim of any crime defined by Sections 261, 264, 264.1, 270a, 273a, 271.5, 266, 268, 269a, 289, 422.6, 422.7, 422.75, or 646.9 of the Penal Code may be withheld at the victim's request or at the request of the victim's parent or guardian if the victim is a minor.

On Saturday morning, May 11, 2013 at about 9:30 a.m., a male resident of Bellflower, CA was sitting in the lobby of a motel located on the 300 block of South Airport Boulevard when the suspect, Jesse Katches, approached him and asked to use his phone. When the victim refused, Katches forcefully grabbed the phone, which was being held by the victim, and attempted to pull it away from him. The victim was able to hold onto the phone which caused Katches to lose his grip.

Katches fled the scene on foot but was located a short distance away by South San Francisco Police Officers. While attempting to evade the officers, Katches ran across the vehicle traffic on Highway 101. Several motorists swerved, and one drove her vehicle into a guardrail to avoid striking Katches. Katches continued to flee, but was apprehended on the other side of the highway, where SSFPD officers were waiting for him. Katches was taken into custody without incident and booked into the Main Jail. The victim was not injured during the attempted robbery.

Anyone with information about this attempted robbery is encouraged to contact the South San Francisco Police Department at (650) 877-8900.

The Challenge of Crime in a Free Society United States. President's Commission on Law Enforcement and Administration of Justice, 1967 This report of the President s Commission on Law Enforcement and Administration of Justice established by President Lyndon Johnson on July 23 1965 addresses the causes of crime and delinquency and recommends how to prevent crime and delinquency and improve law enforcement and the administration of criminal justice In developing its findings and recommendations the Commission held three national conferences conducted five national surveys held hundreds of meetings and interviewed tens of thousands of individuals Separate chapters of this report discuss crime in America juvenile delinquency the police the courts corrections organized crime narcotics and drug abuse drunkenness offenses gun control science and technology and research as an instrument for reform Significant data were generated by the Commission s National Survey of Criminal Victims the first of its kind conducted on such a scope The survey found that not only do Americans experience far more crime than they report to the

police but they talk about crime and the reports of crime engender such fear among citizens that the basic quality of life of many Americans has eroded The core conclusion of the Commission however is that a significant reduction in crime can be achieved if the Commission's recommendations some 200 are implemented The recommendations call for a cooperative attack on crime by the Federal Government the States the counties the cities civic organizations religious institutions business groups and individual citizens They propose basic changes in the operations of police schools prosecutors employment agencies defenders social workers prisons housing authorities and probation and parole officers

CRIME SCENE STAGING Arthur S. Chancellor, Grant D. Graham, 2016-12-02 This unique text has been written as a practical reference for detectives crime scene investigators and prosecutors on how to recognize a staged scene and how this offender behavior could be used as evidence in subsequent trials The book is designed to help those actively engaged in conducting criminal investigations identify the red flags or those common findings at a crime scene that point to the scene being staged or altered and thereby assist the investigative process The text is not only research based but also includes the authors' 30 year experience and personal observations in conducting hundreds of different crime scene investigations ranging from homicide and death burglary and other property crimes to rape and other sexual crimes This experience also includes interviewing hundreds of victims and suspects and conducting investigations from initiation of cases through prosecution The authors have located hundreds of examples of staging and have included many of them as case studies throughout the text Many of the case studies presented are based on the authors' personal involvement in them In addition to defining and categorizing the various aspects of staging the reader is also introduced to new terminology describing the different elements of staging based on offender motive and the dynamics of the events Other major discussions include primary and secondary staging as well as the two subcategories of primary staging premeditated and ad hoc staging Staging by individuals other than the offender and victim described as tertiary incidental scene alterations are included as are several chapters on a variety of crimes and how to identify the red flags relevant to them A final chapter is written especially for prosecutors and offers suggestions and references on how the concept of staging might be introduced in court A very thorough Appendix provides reviews of many appellate court decisions from across the U S and Canada specifically addressing issues of staging
