Ferrara,1995 Information on more than 17 500 living authors from English speaking countries **The Writers Directory** ,2013 **Poverty and Power** Edward Royce,2015-01-21 Poverty and Power asserts that American poverty is a structural problem resulting from failings in our social system rather than individual failings of the poor The second edition has been revised throughout with new statistical information analysis of the recent recession the Obama presidency increasing political polarization and more *Resources in Education* ,1992-02 **The Shadow Gospel** Whitney Phillips,Mark Brockway,2025-04-15 A novel account of the culture wars and Evangelical influence in the United States that traces the 80 year rise of a quasi religious anti liberal demonology When people talk about the chaotic increasingly precarious political landscape in the United States they often blame polarization and the culture wars In *The Shadow Gospel* Whitney Phillips and Mark Brockway tell a very different story Analyzing eighty years of densely overlapping religious and secular messages preaching the dangers of liberalism the book argues that the fracture and chaos in U S politics isn't the result of a clean split between left and right Instead it's a split between the shadow gospel's quasi religious anti liberal demonology the vague sense that an evil leftist force is threatening to destroy American society and the people accused of being the liberal devil A shadow gospel framework helps contextualize the violence of January 6 2021 the fervor of Satanic conspiracy theorizing and the crusade against wokeness and LGBTQ existence But it also helps explain the most vexing elements of our politics that the most potent source of religious messaging and influence in the United States is secular that the most ruthless destroyers of Republicans are other Republicans and that anti liberal fear and loathing span the political spectrum By offering new ways of thinking about religious influence the left right dichotomy and the appeal of Donald Trump *The Shadow Gospel* reveals the true roadblocks to pluralistic democracy and emphasizes what people across the religious and political spectrum stand to lose if we don't exorcise our anti liberal demons There are no easy solutions to our vast and complicated political problems But those solutions will remain elusive if how we frame our problems is part of the problem It is long past time to drag the shadow gospel out into the light *Ecofictions, Ecorealities, and Slow Violence in Latin America and the Latinx World* Ilka Kressner,Ana María Mutis,Elizabeth Pettinaroli,2019-11-21 *Ecofictions Ecorealities and*

Slow Violence in Latin America and the Latinx World brings together critical studies of Latin American and Latinx writing film visual and performing arts to offer new perspectives on ecological violence Building on Rob Nixon s concept of slow violence the contributions to the volume explore processes of environmental destruction that are not immediately visible yet expand in time and space and transcend the limits of our experience Authors consider these forms of destruction in relation to new material contexts of artistic creation practices of activism and cultural production in Latin American and Latinx worlds Their critical contributions investigate how writers cultural activists filmmakers and visual and performance artists across the region conceptualize visualize and document this invisible but far reaching realm of violence that so tenaciously resists representation The volume highlights the dense web of material relations in which all is enmeshed and calls attention to a notion of agency that transcends the anthropocentric engaging a cognition envisioned as embodied collective and relational Ecofictions Ecorealities and Slow Violence measures the breadth of creative imaginings and critical strategies from Latin America and Latinx contexts to enrich contemporary ecocritical studies in an era of heightened environmental vulnerability

Artists on the Left Andrew Hemingway,2002-01-01 Examination of the relation between visual artists and the American communist movement in the first half of the twentieth century from the rise in prestige of the party during the Great Depression to its decline in the 1950s Account of how left wing artists responded to the party s various policy shifts the communist party exerted a powerful force in American culture

Playing with America's Doll Emilie Zaslow,2017-08-14 This critical account of the American Girl brand explores what its books and dolls communicate to girls about femininity racial identity ethnicity and what it means to be an American Emilie Zaslow begins by tracing the development of American Girl and situates the company s growth and popularity in a social history of girl power media culture She then weaves analyses of the collection s narrative and material representations with qualitative research on mothers and girls Examining the dolls with both a critical eye and a fan s curiosity Zaslow raises questions about the values espoused by this iconic American brand

Casting a Giant Shadow Rachel S. Harris,Dan Chyutin,2021-07-06 Film came to the territory that eventually became Israel not long after the medium was born *Casting a Giant Shadow* is a collection of articles

that embraces the notion of transnationalism to consider the limits of what is Israeli within Israeli cinema As the State of Israel developed so did its film industries Moving beyond the early films of the Yishuv which focused on the creation of national identity the industry and its transnational ties became more important as filmmakers and film stars migrated out and foreign films filmmakers and actors came to Israel to take advantage of high quality production values and talent This volume edited by Rachel Harris and Dan Chyutin uses the idea of transnationalism to challenge the concept of a singular definition of Israeli cinema Casting a Giant Shadow offers a new understanding of how cinema has operated artistically and structurally in terms of funding distribution and reception The result is a thorough investigation of the complex structure of the transnational and its impact on national specificity when considered on the global stage
